  - a. TEPW- Gary explained why we do the TEPW worksheet. This document is required to receive the EMPG grant funds; this is also useful in the HSHEEP exercise. The TEPW is a sharing opportunity between entities, and allows us to make efficient use of our time when it comes to exercises. The completed 2016 TEPW will be used as guidance for 2016 and 2017. This keeps us on track and we can use this as bench mark to see what we have accomplished. Gary went over 2015 TEPW and discussed what was accomplished and what is still pending. Gary explained LEPC is the best venue to complete this document with the many entities present; however this is not a requirement of the LEPC. The 2016-2018 TEPW was completed and input from all present was heard.
5. Next meeting will be February 10<sup>th</sup>, 2016 @ 9:00am
6. Chair Mark Willis called the meeting adjourned.
