

MINUTES OF
BOARD OF HARVEY COUNTY COMMISSIONERS

April 8, 2013

The Board of Harvey County Commissioners met in regular session on April 8, 2013 to canvass the April 2, 2013 City/School General Election and to hold the regular meeting following the canvass with all three Commissioners present. Chairman Westfall called the meeting to order at 9:45 a.m. following the REAP meeting.

Joyce Truskett, County Election Officer, presented the results of the April 2, 2013 City/School Election. There were 38 provisional ballots for the Commission to review to determine if they were countable.

Ballots of 19 registered voters were presented who had moved within the County, but did not re-register under their new address. K.S.A. 25-2353 states that the voter may re-register and vote a provisional ballot on Election Day. Commissioner Krehbiel made a motion to approve 19 ballots determined to be countable. Commissioner Hague seconded the motion and it was passed unanimously.

Ballots of 2 registered voters were presented who had both changed their name by marriage and moved within the county. K.S.A. 25-2316c and 25-2316c(a) states the ballot may count if the voter fills out a new voter registration. However, one of the two voters dropped their ballot in the ballot can on Election Day instead of placing it in the provisional envelope, so it was counted on Election Night. Commissioner Hague made a motion to approve the 2 ballots, only one of which will be counted at this time. Commissioner Krehbiel seconded the motion and it was passed unanimously.

Ballots of 4 registered voters were presented who had changed their name by marriage. K.S.A. 25-2316c(a) states the ballot may count if the voter fills out a new voter registration. Commissioner Krehbiel made a motion to approve the 4 ballots determined to be countable. Commissioner Hague seconded the motion and it was passed unanimously.

Ballots of 2 registered voters were presented who voted in advance by mail and then subsequently passed away before the election. K.S.A. 25-1136(c) these ballots shall not be opened and shall be endorsed with the word "provisional" on the back of the envelope. Commissioner Hague made a motion to reject 2 ballots of deceased voters. Commissioner Krehbiel seconded the motion and it was passed unanimously.

The ballot of 1 voter was presented who was not listed in the voter registration database because of a clerical error in the Election Office. Another voter of the same name passed away and the incorrect voter was marked as "deceased. The error has been corrected. Commissioner Krehbiel made a motion to approve the ballot determined to be countable. Commissioner Hague seconded the motion and it was passed unanimously.

Ballots of 2 voters were presented who were not registered to vote. According to K.S.A. 25-215 voter registration is required. Commissioner Hague made a motion to reject 2 ballots deemed uncountable. Commissioner Krehbiel seconded the motion and it was passed unanimously.

Ballots of 2 voters were presented who were registered to vote elsewhere in the State, but not in Harvey County. According to K.S.A. 25-215 voter registration is required. Commissioner Krehbiel made a motion to reject 2 ballots deemed uncountable. Commissioner Hague seconded the motion and it was passed unanimously.

Ballots of 2 voters were presented whose registrations were cancelled because of felony convictions or due to return of confirmation election mailing process. According to K.S.A. 25-2316c these ballots should not be counted. Commissioner Hague made a motion to reject 2 ballots deemed uncountable. Commissioner Krehbiel seconded the motion and it was passed unanimously.

Ballots of 2 registered voters were presented who failed to show photo ID as required by Kansas voting law. According to K.S.A. 25-2908, unless the voter shows proof of photo ID at the Election Office before the canvass the ballots should not count. Neither voter showed photo ID at the Election Office. Commissioner Hague made a motion to reject 2 ballots deemed uncountable. Commissioner Krehbiel seconded the motion and it was passed unanimously.

The ballot of 1 registered voter was presented who voted early after the 12:00 p.m. closing of early voting on April 1. Kansas law provides deadlines for early voting so such ballots should not count. Commissioner Krehbiel made a motion to reject 1 ballot deemed uncountable. Commissioner Hague seconded the motion and it was passed unanimously.

The ballot of 1 registered voter was presented whose voter registration address is at the Newton City/County Airport which was recently annexed by the City of Newton. The voter registration database has not yet been updated with this information. The voter chose to vote a ballot that included the City Commission Candidates. Commissioner Hague made a motion to approve 1 ballot deemed countable. Commissioner Krehbiel seconded the motion and it was passed unanimously.

26 provisional ballots were counted and the results presented to the Commissioners. The results did not change the outcome of the election. Commissioner Krehbiel made a motion to certify the results of the election as presented. Commissioner Hague seconded the motion and it was passed unanimously. These results are attached to the minutes.

The regular Commission meeting was called to order at 10:35 a.m.

ITEMS ADDED TO AGENDA:

1. Commissioner Westfall reported that he and John Waltner attended the REAP meeting this morning. They received a briefing on what went on in the legislature last week. There continues to be concern about the wording of the gun bill.

CALENDAR ITEMS:

1. The Council of Governments breakfast will be held on Wednesday morning.

Minutes of the March 25 Commission meeting were approved upon a motion by Commissioner Hague seconded by Commissioner Krehbiel. Motion passed unanimously.

ADMINISTRATIVE ITEMS:

1. The agreement with AGCO for the County to use one of their test tractors for mowing is ready to be signed and sent back to them.
2. Jim Meier, Road & Bridge Superintendent, reported on the meeting with BNSF Railroad and KDOT at the intersection of the tracks and 48th street. They are leaning toward placing lights and gates at the intersection where a fatality accident occurred several months ago.
3. John reported that he and Newton City representatives were scheduled to meet with Governor Brownback's staff last Friday, but the meeting was postponed until later this month. They will discuss KDOT money that was committed to the Kansas Logistics Park if certain criteria are met. The funding is in jeopardy because the criteria have not been met.
4. The Commissioners received notice that the Anderson Road at Highway 50 will be closed beginning April 17 and will reopen May 1, weather permitting.
5. Staff at East Park conducted a "jar test" last week to check for Blue Green Algae. The test was negative. Pictures of the test will be sent to the State of Kansas for confirmation.
6. John again discussed the significant increase in worker's compensation rates. He reported that Carl Eyman of KWORCC had checked to see if choosing a higher deductible would lower the premiums and he said it would not make a perceptible difference.
7. Sheriff T. Walton reported that Monday was the first time in 14 weeks that the department had been at full staff. However, Deputy Tim Boese cut his hand this week, so they are down one staff member again. Due to an injury to the Police Chief in North Newton, the Sheriff's Department will also be assisting that city for a few weeks. Ray Claassen fell off a ladder Saturday and North Newton asked for help. He also reported that because of the increasing population in the Detention Center, they have had to cut down on federal prisoners. The contract states that the Detention Center has to keep at least 25 and at one time the Center had 50. It is now down to 30. Because of staffing shortages and because of the high population, some of the deputies have been assisting there.
8. Anthony reported that a new credit card vendor has been chosen for West Park.
9. Jim Meier reported that the estimate for repair on body damage to his truck that occurred when another vehicle slid into him while he was assisting another motorist is \$2,200. He also reported that one of his employees quit, accepting a higher paying job.

Jim Meier presented the Invitation to Bidders for the purchase of 2 new Class 8 Dump Trucks. Invitations will be sent to six potential bidders. They are Kansas Truck Center, Williams Service, Wichita Kenworth, Doonan Truck and Equipment of Wichita, Roberts Truck Center, and Foley Equipment. Commissioner Hague made a motion to approve the invitation to bidders as presented. Commissioner Krehbiel seconded the motion and it was passed unanimously. All bids will include the trade-in.

Warrant checks in the amount of \$109,911.80 and hand written checks in the amount of \$765.00 were approved upon a motion by Commissioner Krehbiel, seconded by Commissioner Hague. Motion passed unanimously.

Shannon Metz, West Park Supervisor, presented pictures and description of a used 2008 truck from Midwest Motors. The truck is very clean with 56,000 miles on it. The cost is \$17,300. Commissioner Krehbiel made a motion to approve the purchase of the used truck from Midwest Motors of Hutchinson. Commissioner Hague seconded the motion and it was passed unanimously.
