# COUNTY PROFILE

## History

Named for James M. Harvey (1833-1894), a former governor of Kansas and U.S. senator, Harvey County's history has included the intrigue of cowboys and saloons, lively railroad activity, and successful settlements of wheat farmers from Russian Mennonite communities. During the 1870s, the county seat, Newton, became known as 'the wickedest town in the West' due to the

violence in the area.

Established in March 1872, Harvey County began as a railroad center, with the City of Newton located on the Chisholm Trail. Cattle traveled

along the Chisholm Trail from Texas, and were loaded on railroad cars in Newton for shipment to eastern cities. The railroad continues to be an important industry in the county.

In 1874, Mennonite immigrants moved to the area and began importing and farming hard (Turkey Red) winter wheat seed. The wheat, which was successful in Russia, helped shape this region and contributed to making modern-day Kansas the 'bread basket of the world.'

## COUNTY PROFILE

### Geography

Harvey County is located in south central Kansas along the Little Arkansas River. The county is approximately 10 miles north of the City of Wichita, and is within the northern portion of the Wichita Metropolitan Statistical Area (MSA). The county has a total area of 540.5 square miles, of which 539.3 square miles - 99.8 percent - is land, and 1.2 square miles - 0.2 percent - is water.

Harvey County contains seven cities: Burrton, Halstead, Hesston, Newton, North Newton, Sedgwick and Walton. Newton, Hesston and Halstead are the largest communities.

Harvey County's elevation averaged 1,450 feet above sea level. Elevation at the Newton City-County Airport, located two miles east of Newton, is 1,533 feet above sea level.

### Transportation

Harvey County is an excellent location for both highway and railroad travel. Interstate I-135 runs north to south in the middle of the county, U.S. Highway 50 lies east to west through the county, and the Amtrak-mainline of the Burlington Northern-Santa Fe Railroad travels east to west through the county.

Harvey County is located at the crossroads of the continental United States. U.S. Highway 81, which stretches from Winnipeg, Canada to Mexico City, Mexico, passes through Harvey County as Main Street in Newton. U.S. 50 runs past the White House in Washington, D.C.,

through Harvey County, and continues on to Sacramento, Calif.

Within three miles of the intersection of the U.S. 50 and I-135 highways in Newton are the Newton City/County Airport and Industrial Airpark. The airport is owned jointly by Harvey County and the City of Newton, with day-to-day management overseen by the City. The airport has a reconstructed 7,000-foot runway that accommodates commercial jets, and a 3,500-foot crosswind runway that can handle private and corporate aircraft. Thanks to a variety of federal grant programs, the Newton City/County Airport is undergoing a variety of surfacing upgrades to the taxiways and runway, the most recent of which was a \$7 million improvement to rehabilitate the main taxiway. Regularly scheduled air service is available at Mid-Continent Airport, located in Wichita, but the Newton City/County Airport is a full-service fixed-base operator.

### Education

Harvey County contains five public school districts and six private schools of various faiths.

Harvey County school districts continue to make academic strides behind strong community support. Three districts have recently passed bond issues to improve and build upon facilities to encourage welcoming, comfortable learning environments for students. Sedgwick USD 439 passed a \$13.8 million bond for a new library, classrooms, track and gym improvements. Hesston USD 460 voters approved a \$33.4 million project for a two-story educational facility for middle and high schoolers. Newton USD 373 committed \$8.4 million for renovations to Santa Fe 5/6 Center.

The total school enrollment in Harvey County was 6,594 students for the 2024 school year, with a minority enrollment total of 31 percent, according to the most recent public school review. The average student-to-teacher ratio is 14:1.

Based on the 2020 Census findings, 91 percent of Harvey County residents reported having at least a high school diploma. This is above the U.S. average of 88.5 percent. In addition, county residents holding a Bachelor's degree or higher accounted for 32 percent of the total population. This was in line with the U.S. average of 32.9 percent.

## COUNTY PROFILE

---

Residents have access to a number of higher education institutions, including Bethel College, Hesston College, Hutchinson Community College and Wichita State University. Of those, Bethel College, located in North Newton, was established as a four-year liberal arts college. Founded in 1887, it is the oldest Mennonite College in North America. The next-oldest college in Harvey County is Hesston College. It is a two-year liberal arts college located in Hesston. It was founded in 1909.

### Public Safety

Harvey County places a high priority on public safety. Since there are seven cities in the county, teamwork is essential to ensuring the safety of the public. Numerous police, fire and EMS agencies exist throughout the county, in addition to Harvey County budgeted departments such as the county attorney, district court, communications, emergency management and sheriff's office.

The Harvey County sheriff is elected by the citizens of Harvey County for a four-year term. The Harvey County Sheriff's Office is a modern, full-service law enforcement

agency with divisions in patrol, administration, civil process, investigations and other support services. In addition to these divisions, the sheriff oversees offender registration and Harvey County Detention Center operations. The Detention Center can hold up to 136 inmates, and has a daily average population of just over 100 inmates.

Since Harvey County's formation, 31 people have held the position of sheriff. The Sheriff's Office consists of the sheriff, undersheriff, captain, five investigators, four road sergeants, nine road deputies, one courthouse security deputy, one transport/warrant deputy, one detention captain, one detention lieutenant, four detention sergeants, four detention corporals, 13 detention deputies and two support staff.

Communications is the primary answering point for 911 calls in Harvey County, and provides dispatch services for the sheriff's office, fire/EMS, and police departments in Harvey County.

Emergency Management also serves the citizens and local governments within Harvey County by assisting in the mitigation process during times of emergencies and

disasters.

The Harvey County Attorney's Office exists to enforce the criminal laws of the State of Kansas and prosecute those who commit crimes within Harvey County. In 2021, the attorney's office filed 2,075 cases.

According to the Kansas Bureau of Investigation, the Harvey County crime index - which indicates the number of crimes per 1,000 population - was 19.6 in 2023. This was lower than the State of Kansas average of 27 offenses. This lower total indicates the level of commitment of local public safety agencies to prevent crime and keep Harvey County a safe place to live, work and play.

### Health Care

Home to a wide array of medical programs, Harvey County strives to provide first-class care for its residents. General and specialized health practices, a cutting-edge hospital, a mental health facility, and nursing homes all make health care accessible to residents and visitors.

NMC Health, a 99-bed acute care hospital, is located in Newton. It employs nearly 800 personnel. NMC celebrated 135 years of service in 2022. NMC offers a range of services, including: inpatient rehabilitation, inpatient geriatric psychiatry, neurology, urology, home health/private duty services, physical and occupational therapy, orthopedics, emergency services, wound care and obstetrics. NMC also operates an immediate/urgent care clinic on 12th Street, which provides residents walk-

in care at a lower cost than an emergency room visit.

Prairie View, Inc., an inpatient/outpatient mental health facility, has over 250 employees that serve Harvey County, as well as a wide area of the state, with mental health services. Additionally, seven adult care/assisted living facilities in the county combine for more than 750 beds for adult care and senior care services.

Health Ministries, a non-profit organization, seeks to provide medical care for low-income and medically underserved individuals. In 2017, Health Ministries relocated to the NMC Health campus, where they are now serving a larger customer base throughout Harvey County.

The Harvey County Health Department seeks to empower, preserve and protect the health and well-being of individuals, organizations and communities in Harvey County by preventing disease and promoting health.

## COUNTY PROFILE

### Arts, Culture and Entertainment

A wide variety of recreational options are available in Harvey County and south central Kansas, including sporting events, movie theaters, parks, swimming pools, golf courses and tennis courts.

Cultural entertainment opportunities such as a community theater, symphony and museums are located in Harvey County. Events, speakers and guest performances are held on a regular basis at locations throughout Harvey County. The county is also home to the Hesston-Bethel Performing Arts Series, which presents five performances of world-renowned or regionally-acclaimed artists over several months.

Harvey County also boasts a community mural, created in 2010 on Main Street in Newton. It is the only painting of its kind in Kansas. The Imagineers was painted by county residents as a piece of art for everyone - not to be bought or sold. Since that time, several additional murals have been constructed throughout Newton to showcase the town's appreciation

of art, shared by everyone.

Just to the north of The Imagineers painting is the train station. Located in the heart of Newton, the station was built in 1929. It is modeled after William Shakespeare's house in Stratford-on-Avon. The train station serves as a daily stop for Amtrak, the national railroad passenger system.

### **Employment**

The county's economy is primarily based on railroads, agricultural business, health care and manufacturing. The county seat, Newton, is the predominant trading area for agricultural products, including wheat, corn, other small grains, livestock and dairy products. Over 40 percent of small-packaged flour in the nation comes from wheat milled in Harvey County. This makes up just one piece of the nearly 750 employers that operate in Harvey County.

### **Cost of Living/Housing/Income**

Even with its many amenities, Harvey County maintains a lower cost of living than most places of similar size. Based on the 2024 Wichita MSA, this area's overall cost-of-living index is 90.8 percent, which is below the national urban area average of 100. This makes this area of the country economical for those looking to establish permanent residence.

Housing is a particular bargain in the Harvey County

market. According to 2020 Census data, the median price for previously-owned single-family homes was \$141,000. There were 14,607 housing units and 13,396 households in Harvey County during this time. Of those, 11,467 were family households, which have an average family size of 2.46 per household. The median income for a household in Harvey County was \$58,782. The poverty rate for Harvey County was 9.3, which is slightly below the United States total of 11.6 percent.

### **Property Values/Taxpayers**

In 2024, the assessed value of taxable tangible property increased to \$401,722,610. Of that total, residential property accounted for over half of the total appraised valuation in Harvey County. Commercial and industrial locations were the second largest, with agricultural property accounting for the third-highest category of the assessed value of taxable tangible property in Harvey County.

**Economic Development**

While many counties and communities throughout the country face poor economic conditions and outlooks, local governments within Harvey County and numerous economic development organizations continue to work together to recruit, retain and expand the local economy. Some recent economic development successes include:

**Kansas Logistics Park**

*Located in Newton, the Kansas Logistics Park was designated a BNSF Certified Site in 2016. BNSF certification ensures a site is ready for rapid acquisition and development through a comprehensive evaluation of existing and projected infrastructure, environmental and geotechnical standards, utility evaluation and site availability. The KLP consists of two 42-acre parcels located on the southeast side of the city, part of a 400-acre industrial development off I-135 and U.S. 50 with access to the BNSF Railway via the Kansas and Oklahoma Railroad. The KLP was developed jointly by Harvey County and the City of Newton.*

**Park Aerospace Technologies Corporation**

*Park Aerospace recently expanded their facility to 90,000 square feet of manufacturing, laboratories and office space. Park focuses on the development and manufacturing of advanced composite materials for the aircraft and space vehicle industries. Since opening their facility in 2008, Park has invested over \$20 million into their operations at the Newton City/County Airport.*

**StanleyBlack&Decker**

**Stanley Black & Decker**

*In September 2021, Stanley Black & Decker announced the purchase of Excel Industries, bringing a powerful national presence to Hesston. Excel carried a sterling reputation for its production of consumer and professional mowing equipment, one that will continue to be built upon by Stanley Black & Decker. The agreement pushes Stanley Black & Decker further forward in its outdoor product inventories.*

**AGCO Industries**

*Based in Hesston, AGCO is considered to be a global leader in design, manufacture and distribution of agricultural machinery. This dedication to being a global leader is reinforced by the company's recent \$40 million-plus investment into a 200,000 square foot, state-of-the-art dip and powder coat paint facility.*

### **Organizational Structure**

Harvey County is a political subdivision of the State of Kansas. The County's organizational chart in its entirety can be found in this document.

### **County Services**

Harvey County is proud to provide a wide array of services to its residents. The county government's values are courtesy, respect, well-being, integrity, understanding and humor. Those values help steer the County toward fulfilling its mission statement, "It is the mission of Harvey County to provide our citizens with beneficial, essential public services in a professional, courteous and fiscally responsible manner."

Some of these services are required to be provided based on state statute, while others are in place because they improve the quality of life for residents. Some examples of those services include: noxious weed eradication, culture and recreation, road and bridge maintenance, health and well-being, transportation,

and the control, management and mitigation of waste products.

### **Elected Officials**

Harvey County utilizes a county administrator-county commissioner form of government.

The County is governed by a legislative body consisting of a three-member Board of County Commissioners (Commission), elected to four-year, staggered terms. The chairperson of the Commission is rotated to a different commissioner each year.

The Commission meets in regular weekly sessions. The Commission, which performs both executive and legislative functions, is responsible for all policy and executive decisions regarding county government, and is responsible for hiring the county administrator, who serves on behalf of the Commission and ensures the policies, decisions and daily operations of Harvey County are carried out.

The Harvey County Board of County Commissioners also serves on and appoints members to County boards.

---

County Commission

## **Mission**

---

To provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

## **Department/Program Information**

---

The County Commission is the governing body of Harvey County and is responsible for setting policies for the entire organization and the appropriation of resources to accomplish adopted policies. The County Commission's duties include determining the annual budget, setting overall long-range plans for Harvey County, hiring and terminating non-elected Department Heads, and managing County property. Additional responsibilities are provided in Chapter 19, Article 2 of the Kansas Statutes.

Commissioners are elected from three single-member districts for staggered four-year terms. One Commissioner serves as the Chairperson for a one-year term and then the position rotates to the next Commissioner in line. Commission meetings, which are open to the public, are held weekly in the Commission Room of the Harvey County Courthouse.

## **2022-2026 Strategic Goals Created by County Commissioners**

---

**Community Engagement-** Harvey County will seek to engage community stakeholders in order to promote civic engagement, innovative opportunities, and collaboration.

**Community Marketing-** Harvey County will promote the region as a quality place to live.

**Internal Collaboration-** Harvey County will identify new ways to improve collaboration and communication efforts within the organization.

**Services-** Harvey County will strive to provide outstanding public services while being good stewards of tax dollars.

**Work Force-** Harvey County will invest in a high quality workforce in order to ensure great service delivery.

## **Department's Alignment with County's Mission and Values**

# Harvey County – 2025 Budget

## **Department**

---

County Attorney

## **Mission**

---

The mission of the Harvey County Attorney’s Office is to protect the safety of the citizens of Harvey County by enforcing the laws of the State of Kansas through honest and zealous prosecution. The Harvey County Attorney’s Office prosecutes all felonies occurring in Harvey County as well as all misdemeanors occurring in rural Harvey County. These cases are vigorously prosecuted with a focus on offender accountability, public safety, victim services and offender reformation. Each member of the County Attorney’s Office has sworn to serve the interests of fairness and justice, and to treat members of the legal profession, law enforcement, and citizens of the community in a fair and unbiased manner. The office strives to assist our community with the needs of their children through the child in need of care and juvenile offender systems, and any other appropriate alternative programs. We further assist the mentally ill of the community through the care and treatment program.

## **Department/Program Information**

---

The Harvey County Attorney’s Office prosecutes violations of the criminal laws of Kansas; institutes proceedings to protect abused and neglected children; prosecutes juvenile offenders; secures care and treatment in alcohol, drug, and mental commitment cases; appears before the appellate courts of Kansas regarding civil and criminal appeals; provides services to victims and witnesses to ensure their fair treatment in the criminal justice system; and, provides other statutory civil proceedings established by law.

## **2023 Accomplishments**

---

During 2023 technology challenges and changes were the primary focus of the Harvey County Attorney’s Office.

In September 2022 the District Court changed their case management system to a new system called Odyssey. The roll out of their new system caused a variety of changes in the County Attorney’s Office and those changes continued well into 2023. In February 2023 the office transitioned to a new internal case management system called Prosecutor by Karpel (PbK). The whole year was spent learning how best to use PbK to serve our office, victims and community partners within the limitations of the county technology systems. The transition to PbK has been well received by defense counsel and local law enforcement. PbK allows for seamless sharing of information and quick creation of necessary case documents. Additionally, PbK became vital when the State of Kansas Court System was hacked in October 2023 and not accessible for months. PbK made it possible for us to share documents with the District Court, defense bar and other community partners to keep the court in operation during the security incident. The staff of the County Attorney’s Office went above and beyond to make sure everyone inside and often outside the office

had everything necessary to ensure continued progress in the local courts for victims and witnesses of Harvey County.

The Harvey County Attorney's Office continued to emphasize the need for a strong teamwork approach to the operation of the office. This included the need for partnering with and maintaining open lines of communication with the Harvey County Sheriff's Office, police departments within the County, the Kansas Bureau of Investigation, the Kansas Highway Patrol, the offices of other County and District Attorneys, and the U.S. Attorney's Office. Regular meetings are held with the Harvey County Sheriff, Kansas Highway Patrol, and police chiefs throughout Harvey County. Additionally, multiple members of the attorney team are active in the domestic violence and juvenile group focus meetings hosted by the Newton Police Department.

Continuing this teamwork approach, the Harvey County Attorney's Office has also continued to hold regular meetings with Harvey County Court Services, Harvey County Community Corrections, Heart to Heart Child Advocacy Center, the Harvey County Domestic Violence/Sexual Assault Task Force, Offender/Victim Ministries, and Prairie View. This integrated approach helps to deliver consistent services to victims and assists the prosecutors in securing meaningful convictions.

The Harvey County Attorney's Office continued efforts to address the prevailing issues in the community including drug addiction and truancy. In 2023 the office conducted site visits with other area truancy programs and continued the process to create and start a local truancy program. Additionally, the County Attorney's Office continues to participate in the Harvey County Drug Court Program and stepped up efforts to encourage those in need to apply for the services offered by the program.

Vigorous quality prosecution is always the goal of the Harvey County Attorney's Office. Additionally we focus on transparency and protecting vulnerable victims. In the past year the office has gained a large number of convictions and prison sentences on high level, violent crimes. Additionally, these results were highlighted in a series of media releases.

## **2024 Goals/Objectives/Initiatives/Performance Measures**

---

- VIGOROUS QUALITY PROSECUTION
  - The Harvey County Attorney's Office will continue efforts to ensure that all criminals are held accountable within the bounds of the law. It is the goal of the county attorney's office to focus on quality prosecution rather than quantity. We will continue to work to get drugs out of our community and hold violent offenders accountable.
  
- VICTIM FOCUSED PROSECUTION
  - The Harvey County Attorney's Office will continue efforts to ensure that all services offered by the office are victim focused. We will continue to support victims through the criminal justice process by providing up to date information regarding pending cases and connecting victims with community-based services to help them heal.

- **PROTECT VULNERABLE VICTIMS**
  - The Harvey County Attorney’s Office will expand efforts to protect children, mentally ill, domestic violence victims and other vulnerable members of our community. There will be a continued review of our Child in Need of Care protocols and close work with the Department of Children and Families in order to assure that child abuse and neglect is being adequately and expeditiously addressed by all community partners. We will remain an active participant community victim based meetings and continue to follow best practices for helping victims out of domestic violence situations. We will remain attentive of the mental health crisis in our community and use tools such as care and treatment cases to ensure therapy is offered to those in need.
  
- **TRANSPERANCY**
  - In compliance with our legal and ethical obligations the county attorney’s office will strive to be more transparent in our work in the community. We feel it is important for the community to know about the work we do and we will share information to the extent is legally and ethically permissible.
  
- **MORE EFFICIENT USE OF RESOURCES AND TECHNOLOGY**
  - The Harvey County Attorney’s Office will utilize technology to allow for more efficient, streamlined prosecution.
  
- **COLLABORATIVE EFFORTS WITH LAW ENFORCEMENT AND COMMUNITY PARTNERS**
  - Close communication with law enforcement agencies is actively encouraged and will continue. This ensures the prompt receipt of reports and evidence for preparation of criminal complaints, quicker signing of complaints and probable cause affidavits, and the timely scheduling of hearings. Regular meetings with law enforcement police chiefs, Kansas Highway Patrol, and the County Sheriff will continue, in order to ensure communication and cooperation between agencies. Additional collaboration with community partners including Heart to Heart Child Advocacy Center, Safehope, the Department of Children and Families, the local school systems and others will be encouraged. The Harvey County Attorney will offer frequent training to local law enforcement agencies to ensure compliance with the ever changing law.

## **2025 Goals/Objectives/Initiatives/Performance Measures**

- **VIGOROUS QUALITY PROSECUTION**
  - The Harvey County Attorney’s Office will continue efforts to ensure that all criminals are held accountable within the bounds of the law. It is the goal of the county attorney’s office to focus on quality prosecution rather than quantity. We will continue to work to get drugs out of our community and hold violent offenders accountable.

- VICTIM FOCUSED PROSECUTION
  - The Harvey County Attorney's Office will continue efforts to ensure that all services offered by the office are victim focused. We will continue to support victims through the criminal justice process by providing up to date information regarding pending cases and connecting victims with community-based services to help them heal.
  
- PROTECT VULNERABLE VICTIMS
  - The Harvey County Attorney's Office will expand efforts to protect children, mentally ill, domestic violence victims and other vulnerable members of our community. There will be a continued review of our Child in Need of Care protocols and close work with the Department of Children and Families in order to assure that child abuse and neglect is being adequately and expeditiously addressed by all community partners. We will remain an active participant in DVRT and CCR and continue to follow best practices for helping victims out of domestic violence situations. We will remain attentive of the mental health crisis in our community and use tools such as care and treatment cases to ensure therapy is offered to those in need.
  
- TRANSPERANCY
  - In compliance with our legal and ethical obligations the county attorney's office will strive to be more transparent in our work in the community. We feel it is important for the community to know about the work we do and we will share information to the extent is legally and ethically permissible.
  
- MORE EFFICIENT USE OF RESOURCES AND TECHNOLOGY
  - The Harvey County Attorney's Office will utilize technology to allow for more efficient, streamlined prosecution.
  
- COLLABORATIVE EFFORTS WITH LAW ENFORCEMENT AND COMMUNITY PARTNERS
  - Close communication with law enforcement agencies is actively encouraged and will continue. This ensures the prompt receipt of reports and evidence for preparation of criminal complaints, quicker signing of complaints and probable cause affidavits, and the timely scheduling of hearings. Regular meetings with law enforcement police chiefs, Kansas Highway Patrol, and the County Sheriff will continue, in order to ensure communication and cooperation between agencies. Additional collaboration with community partners including Heart to Heart Child Advocacy Center, Safehope, the Department of Children and Families, the local school systems and others will be encouraged. The Harvey County Attorney will offer frequent training to local law enforcement agencies to ensure compliance with the ever changing law.

## **Department's Alignment with County's Mission and Values**

---

**It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.**

**Integrity-** The Harvey County Attorney's Office is charged with upholding the law in a variety of legal arenas. As such, integrity is at the very heart of our business.

**Respect-** The Harvey County Attorney's Office interacts with many segments of the community, always treating others with respect without regard to their role in the criminal justice system.

**Understanding-** Open and direct interaction occurs with the staff on a daily basis in the county attorney's office--an absolute necessity in this field—to ensure the mission of Harvey County is fully understood and communicated to the public.

**Well-being-** Support staff and attorneys continually communicate and coordinate on cases so all are a part of the process and have a full understanding of our mission: to protect the safety of the citizens of Harvey County, enforce the criminal laws of the State of Kansas, and prosecute those who commit crimes while we ensure the needs and rights of the victims in each case are met.

**Courtesy-** The Harvey County Attorney's office must interact with many segments of the population, always operating within the same parameters of courtesy, fairness, and openness. Collaboration is key in this arena, and without courtesy, collaboration disintegrates rapidly.

**Humor-** The employees within the Harvey County Attorney's Office deal with difficult issues on a regular basis. The details of crimes that aren't generally made public are processed by the employees. Humor is a necessary coping method in this field of work. It is encouraged and key to maintaining staff moral and emotional (as well as physical) well-being.

## **Department**

---

Indigent Defense

## **Mission**

---

The statutory mission of the State Board of Indigents' Defense Services is to provide, supervise and coordinate, in the most efficient and economical manner possible, the constitutionally and statutorily required counsel and related service for each indigent person accused of a felony and for such other indigent person as prescribed by law.

## **Department/Program Information**

---

In accordance with Kansas Statute(s) K.S.A. 22-4501 and K.S.A. 22-4507, Harvey County is required to provide indigent defense services to those individuals who meet the requirements set forth by the statutes. Harvey County annually contracts these services with a pool of attorneys who then represent the clients.

## **Department**

---

County Appraiser

## **Mission**

---

The mission of the County Appraiser’s Office is to continually review, appraise, and maintain the most fair and equitable property values possible. This is accomplished through our employees and public education program, courteous and positive rapport with the public and a close working relationship with the State Division of Property Valuation of the Kansas Department of Revenue.

## **Department/Program Information**

---

The Appraiser’s Office places values on Real and Personal Property in Harvey County in accordance to Kansas Statutes and directives from the Property Valuation Division. The Property Valuation Division places values on Railroad and Utility properties. The Appraiser’s Office process appeals of Real and Personal Property values by taxpayers and participates in Kansas Court of Tax Appeal hearings concerning appealed property values in Harvey County Kansas. The office also regularly visits properties either through Data Collection, Permits, or if a sale occurs.

## **2023 Accomplishments**

---

In 2022, for Tax Year 2023, the county was back out in the field making sure the information we have on the computer for the owners is correct. Personal Property and Oil and Gas were able to keep the owners and properties up to date as well.

## **2024 Goals/Objectives/Initiatives/Performance Measures**

---

The goals for this office remains the same. We will complete all substantial compliance categories according to the guidelines as required by statute and reviewed by the Property Valuation Division. The office will also work hard to maintain a good rapport with the public. Some of the projects the staff and I will complete are listed below:

### **Real Estate:**

- Sale File Validation
- Re-inspection and Quality Control
- Land Valuation
- Cost and Depreciation
- Income and Expense Survey
- Final Review
- Agricultural Use
- Mapping, Ownership, Splits and Combinations

**Personal Property:**

- Mailing Renditions
- Mailing Value Notices
- Auditing 15% of Returns by Class

**2025 Goals/Objectives/Initiatives/Performance Measures**

---

- Data Collection, check building permits
- Work Sales, set appraised values
- Splits and Combinations, Deed changes
- Personal Property and Oil and Gas

**Department’s Alignment with County’s Mission and Values**

---

**It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.**

**Integrity** – This office will deal honestly with the public at all times.

**Respect** - The public will be given the respect they are due as taxpayers.

**Understanding** – We will work hard to listen to the taxpayer and try to help with problems, concerns or questions.

**Well-being** – We will try to make their experience as pleasant as possible.

**Courtesy** – Our goal is to be fair in valuing properties and to taxpayers.

**Humor** – This goal is the most important. If you don’t laugh at yourself or a situation, that makes this job a lot harder.

## **Department**

---

Planning, Zoning and Environmental

## **Mission**

---

The mission of the Harvey County Planning, Zoning and Environmental Department is to provide timely, courteous, knowledgeable advice and assistance to the citizens, planning commission and governing body of Harvey County in regard to land-use related matters. And to enforce compliance with applicable regulations that help to protect the natural resources in our county for health and safety.

## **Department/Program Information**

---

### **Planning & Zoning**

The Harvey County Planning, Zoning and Environmental (PZE) Department is responsible for developing and administering land use regulations within the unincorporated portions of the County, and for analyzing and evaluating development proposals to determine whether such proposals are consistent with the goals and objectives contained in the County's Comprehensive Development Plan.

Department staff are responsible for preparing analytical reports pertaining to land use issues for the Harvey County Regional Planning Commission/Board of Zoning Appeals, and the Board of Harvey County Commissioners; and for presenting said reports and making recommendations to those bodies for land use related matters.

Day to day activities of the department include the following: (1) Providing assistance to the public when it has questions pertaining to land use matters; (2) Processing applications for specific land use related requests; (3) Issuing building permits; (4) Enforcing zoning and subdivision regulations; (5) Reviewing proposed subdivision developments and providing analysis regarding those developments to the Planning Commission and County Commission.

Staff stays current and knowledgeable about zoning activities happening across the state through the Kansas Association of County Planning and Zoning Officials (KACPZO) and American Planning Association trainings. These organizations offer conferences for in person training as well as online opportunities. Staff takes advantage of many free opportunities for training in specific subjects that relate to issues in our county. Staff also stays up to date on the possible changes in legislation through Kansas Association of Counties. In-person trainings are chosen by the content of training offered. Staff will not attend a conference or training if staff does not believe it is something that will help to serve our community.

### **Flood Plain Management**

Flood Plain Management is a delegated responsibility of local governments by the Legislature of the State of Kansas. Local governments are responsible for adopting floodplain management regulations

as outlined in K.S.A 12-741 et seq. and K.S.A. 12-766, to protect the health, safety and general welfare and to minimize losses.

It is the floodplain manager's responsibility to restrict or prohibit uses, which are dangerous to health, safety or property in times of flood or cause undue increase in flood heights or velocities. The floodplain manager is to require that uses vulnerable to floods, including public facilities, which serve such uses, be provided with flood protection at the time of initial construction. Individuals should be advised against purchasing land that is unsuited for intended purposes because of flood hazards.

Property owners must be assured eligibility in the community to purchase flood insurance in the National Flood Insurance Program. The floodplain manager is responsible to educate the public about the National Flood Insurance Program, providing floodplain determinations for citizens and administration of floodplain regulations.

Staff receives training and updates on floodplain management through memberships in the Association of State Floodplain Managers as well as State associations and resources. Several free online webinars are offered each year by Kansas Department of Agriculture Division of Water Resources. Staff takes advantage of as many of the free online trainings as possible to build a better understanding of Floodplain regulations. Once a year, staff attends a training conference that usually last 3 days that specifically covers floodplain trainings.

It is staff's responsibility to make sure that all of the incorporated areas of Harvey County remain in compliance with floodplain regulations. Staff uses GIS mapping and Kansas Division of Water Resources mapping to check all properties prior to issuing permits or when they receive inquiries on properties to best inform the public about the floodplain issues on the properties.

### **Environmental**

Harvey County Sanitation Codes were adopted to eliminate and prevent the development of environmental conditions that are hazardous to health and safety, and promote the economical and orderly development of land and water resources of the county. It is the environmental staff's responsibility to inform the public of these codes and to enforce them.

The environmental staff's responsibilities include:

- Issuing sewer and water well permits as requested.
- Conducting soil profiles to determine type of soil and size of wastewater treatment system needed.
- Carrying out post construction inspections of onsite wastewater treatment systems and water wells.
- Conducting property exchange inspections of property in the unincorporated areas of the County that have onsite wastewater treatment systems and domestic water wells.
- Issuing reports to buyers and sellers to report the condition of the wastewater systems and water wells.
- Providing water testing services to the people in the rural areas of the county who rely on groundwater for domestic purposes.
- Addressing violations of the sanitation code.

Training provided by the Kansas Small Flows Association, Kansas Environmental Health Association and PrivateWellClass.org is utilized by staff. Conferences and meetings to keep staff up to date on water issues and environmental issues that affect our community. Once again training is vital to making decision on sewer and wells. Training helps staff make informed decisions and keeps staff knowledgeable about new options that may better protect the environment.

Staff is responsible to identify, inform, and educate onsite wastewater system owners in high priority total maximum daily load (TMDL) watersheds of their responsibility to adequately operate and maintain their onsite wastewater treatment systems. Staff participate in developing TMDL's in Harvey County by attending meetings and by reviewing and revising our local environmental protection program to address high priority TMDL's. Protection of the Equus Beds Aquifer is a high priority for regional water supply.

## **2023 Accomplishments**

---

- Planning and Zoning Department goals for 2023 included using citizen outreach to update the renewable energy regulations. All sources of renewable energy regulations including commercial and personal were updated in 2023 and adopted.
- Planning and Zoning Staff continued to work towards positive experiences and good working relationships with the public when it comes to land use and related matters. Planning and Zoning Staff has worked through difficult issues with landowners in an effort to find a suitable solution.
- Issued 89 building permits with a total estimated cost to build at \$15,071,825. (Note: Estimated cost to build is not the same as Appraised Value of Structure.); Fifteen (15) permits were for single family dwellings with an average cost of \$361,400; Seven (7) commercial buildings were permitted at an average cost of \$99,257; Thirty-one (31) new agricultural accessory buildings were permitted at an average cost of \$196,016. The local farmers are taking interest in large poultry houses to raise free range eggs. This business has brought a few \$1,000,000 poultry barns to the county over the last year.
- Issued 30 sewer permits
- Issued 44 well permits – Staff's efforts to communicate the requirement for permits when drilling wells has been successful. Only three post construction permits were issued this year for wells.
- Completed 28 mortgage inspections. This is down from the previous year. However sales picked up at the end of the year.
- A total of 42 water tests were sent to the lab for analysis
- Held 12 Planning Commission meetings– Held hearings for 12 Conditional Use Permits, 2 Variances and 1 Subdivision Plat. The Planning Commission developed new regulations for Renewable Energy, Banning Commercial Wind Energy and Utility Scale Solar and setting standards for Limited Scale Solar and Personal Solar and Wind.
- Around 40 violation letters were mailed for violations including floodplain violations, failure to obtain a permit, failure to follow through with conditions on permit and sewer violations.
- Training to improve service continues to be a priority. Staff attended planning and zoning training at McPherson, Floodplain Training online and for three days in Winfield, and

attending training for leadership in South Hutchinson. Staff also utilized online trainings and webinars for sanitation trainings.

- Planning and Zoning Department kept within budget and was able to meet income goals. Increased costs of meetings due to mileage reimbursements and increased cost for meal expenses for the annual appreciation dinner to thank the commissioners for volunteering took a toll on the Planning Commission line item. But other line item funds were reserved to cover for the Planning Commission expenses and total expenses came in under budget.
- The new floodplain map project was still ongoing at the end of 2023. Once these maps have been completed, staff will make every effort to communicate the changes to the citizens and affected landowners.
- Another ongoing project is the comprehensive plan. This project guides the future of Harvey County. Care is being taken to insure that the citizens of Harvey County get a quality and useful product. Staff plans to have this project wrapped up in 2024.

## **2024 Goals/Objectives/Initiatives/Performance Measures**

---

- Develop new fee schedule for services. Staff understands the desire of the community to be good stewards of the budget. Staff believes that additional revenue can be generated to pay associated service costs through increased fees for permits and services to the individuals requesting those services and not relying on the taxpayers to supplement those costs.
- Review Bylaws for the Harvey County Planning Commission and Board of Zoning Appeals and make updates to better meet the needs of the board, community and that align with State Statute.
- Investigate opportunity for outside source to perform inspections on septic systems and alternate systems. Inspectors that focus in this area have access to equipment that will give a better view of the system and if there are failing elements within the system. Staff would still have responsibilities involved in mortgage inspections such as reports and violation abatement.
- Explore mitigation outreach for floodplain properties and high risk wildfire areas to help reduce the damage and increase safety. Collect data and map areas prone to damages and losses during natural disasters including wildfires and flooding to improve land use determinations and uses.
- Continue to address violations within the county by working with landowners to set timelines to make corrections and find workable solutions. Explore options to communicate requirements for permitting in Harvey County.
- Explore options for Nuisance Violations and Unsafe Structures in the unincorporated areas of Harvey County. Work to get properties near cities, parks and other public areas cleaned up to reduce safety risks and public health risks.
- Complete the Comprehensive Plan and prepare for adoption.
- Begin process to update Zoning Regulations and Floodplain Regulations.
- Continue training to better serve the community by staying informed on changes to statutes and gaining knowledge on new issues facing planning and zoning departments.

## 2025 Goals/Objectives/Initiatives/Performance Measures

---

- Planning and Zoning/Environmental Department goals should always include keeping the individual landowners as well as the county as a whole in mind when making all land use decisions. Decisions are made by using the Codes and Plans that have been developed by the citizens of Harvey County. Staff should always keep the core values in mind when working with the public.
- Increase income by an implementation of a new fee schedule mid-2024. The revenues will increase to help cover the cost associated with land use management and environmental health. Costs associated with operating the planning and zoning department include the costs of meetings, legal notices, planning commission mileage reimbursement, office supplies, fuel, and staff time. Staff has increased the Revenue Request for 2025 to reflect the impact the fee increase will have on the revenues for 2025.
- Staff believes the new floodplain maps maybe completed in 2025. The approval process for the floodplain maps will require extra public meetings outside the Courthouse. The line item on the budget “Other Purchased Services” is budgeted for rental fees for other facilities when needed. Another item planned for 2025 is to update the Unified Development Code. This could bring large public interest and require a larger facility for a public hearing.
- Review and update the Unified Development Code to coincide with the Comprehensive Plan and State Statutes. In order to complete this process, it will take a lot of hours by the planning commission to complete. More meetings will increase expenditures to the planning commission line item. Planning commissioners are reimbursed for mileage to meetings and are occasionally provided food if the meeting is a long meeting that may interfere with the commissioner’s being able to eat dinner at home. Another added expense involved with more meetings is additional publication fees, office expenses and staff hours.
- Keeping up-to-date with latest issues in zoning, floodplain and environment requires training and attending conferences. This training is budgeted through travel and training. Changes in zoning are challenging with new challenges such as housing shortages and new businesses that are not addressed in regulations yet. Education through state and national sources help staff to make qualified decisions. Plus ongoing education helps staff stay current on state statute changes and legal issues facing planning and zoning officials. Staff continues to look for training opportunities to better serve the citizens of Harvey County.
- Staff will continue to look for ways to use GIS mapping and other digital methods to compile historical information that can be easily accessed for better information. The GIS map is utilized for almost every decision that staff makes in Planning and Zoning. Updated aeriels help staff to identify violations and have better information on properties that staff is making decisions on.
- Most of the line items for Expenditure Requests for 2025 have changed. However the total amount of Request has not increased from 2024. Staff decreased the total by \$700, the amount of one time distribution for extra Newspaper Legal Notices. Staff reduced the budget in some areas to make up for increases due to inflation and cost increases for services and supplies used by the department.
- Staff plans to explore cost and process to update the Harvey County Sanitation Code to meet state codes and address advances in onsite sewage treatment options for a future budget year. This will not directly affect the 2025 budget. Staff is waiting for the State to complete their updates to Sanitation Regulations before updating Harvey County’s

Sanitation Code. Staff will add this to the Capital Improvement Plan at a future date once the State has completed their updates.

## **Department's Alignment with County's Mission and Values**

---

**It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.**

**Integrity** - Provide honest and consistent advice and answers. Decisions are based on regulations as outlined in the Unified Development Codes, Comprehensive Plan and Sanitary Codes as well as State Statutes.

**Respect** - Be respectful of opinions, wishes and rights of all parties involved in the decision making process. Allow people time to express their concerns and opinions.

**Understanding** – Having insight into the needs landowners and the community is key in our decision making process by finding conventional and alternate solutions while navigating through county regulations and staying in compliance with state and federal statutes.

**Well-being** - Decisions are made for the well-being and safety of all citizens. A positive approach helps to lead to positive experiences and a sense of accomplishment for all involved.

**Courtesy** – Timely responses and customer service are key to extending the courtesy to the citizens of Harvey County. Each person that visits the office should be given ample time to get the answers to the questions they came to ask.

**Humor** - Humor can aid in easing tension in the workplace. It helps relieve stress and keep relationships positive. We value humor as it keeps us healthy and grounded.

Pine Street Building

## **Department/Program Information**

---

The Pine Street Building Department pays for the services and items which are common with many departments and tenants in the building, such as maintenance, utilities, cleaning supplies, etc. It is anticipated that the final tenant will vacate the building in late 2024, and the remodel of the building will begin in 2025. Both of these changes will impact the Pine Street Building operational budget.

## **Department**

---

Sheriff's Office

## **Mission**

---

The mission of the Harvey County Sheriff's Office is to protect our communities by providing law enforcement services, which ensure that Harvey County is a safe place to live, work, play and visit. It is essential that we hold ourselves accountable to the highest of ethical standards being committed to and demanding nothing less than excellence from ourselves. We will strive as an organization to obtain and preserve the trust of the citizens we serve through an open and honest administration that emphasizes service to the citizens. We are committed to this mission and will conduct our responsibility with dedication to the citizens that we proudly serve.

## **Department/Program Information**

---

### **Patrol Deputies**

The Patrol Division is made up of 8 full time certified Deputies, 4 Patrol Sergeants, and one part time Certified Deputy. Patrol deputies respond to calls for assistance within the cities of Harvey County as well as the county in general. The Patrol Division strives to provide a high quality level of service to everyone in Harvey County.

### **Civil Process/Warrant/Courthouse Security**

The Sheriff's Office has one full time process server who serves several thousand civil papers each year. We also have one full time warrant/transport Deputy who travels all over the state picking up inmates. Our newly appointed Courthouse Security Deputy patrols the halls of the Harvey County Courthouse to ensure everyone's safety at all times.

### **Investigations**

The Investigations Division is made up of one Detective Sergeant and 4 Investigators. Two of the Investigators are assigned to the Narcotics Unit and the other two are general Investigators. The division has grown over the last few years because of the violent crime in our County. The current staffing levels are adequate for the current case load.

### **Administration**

Sheriff Gay continues to focus his efforts on relationships with Harvey County partners and citizens. Sheriff Gay has been instrumental in developing a professional and competent law enforcement office for the citizens of Harvey County.

Undersheriff Chapman supervises the Investigation Division and warrant/transport Deputy. Undersheriff Chapman also assists Sheriff Gay with the day to day operations of running the Sheriff's Office. Undersheriff Chapman and Captain Brandon Huntley spearheaded a leadership program within the Harvey County Sheriff's Office to promote leadership development for all members.

Captain Brandon Huntley oversees the Patrol Division and Civil Process. Captain Brandon Huntley has been instrumental in the continued development and professionalism of the Harvey County Patrol Division. All three administrators work well together to meet the mission of the Sheriff's Office.

### **Reserve Deputies**

The Reserve Deputy Division is supervised by Captain Mark Scheffler. This group of dedicated volunteers continue to support the Sheriff's Office and the citizens of Harvey County. The Reserve Deputies volunteer their time to assist Sheriff Operations in whatever capacity they are directed to. The Sheriff's Office can always count on the Reserve Deputies to go above and beyond in performing services for the citizens of Harvey County.

### **Harvey County Sheriff Support Services**

Chaplain Ray Nicodemus and his volunteers continue to provide programs at the Harvey County Detention Center. Those programs include; High School education, anger management, alcoholics anonymous, narcotics anonymous, various denominational spiritual programs, reading programs, family value programs and mental health counselling.

### **Harvey County Detention Center**

The Detention Center is made up of a Captain, Lieutenant, 4 Sergeants, Offender Registration Deputy, 4 Corporals and 10 Detention Deputies. The Detention Center is an indirect facility that operates 24 hours a day. The daily population average for the Detention Center is in the low 100's.

### **Conclusions**

In 2023 the Sheriff's Office observed a stabilization in turnover in the Patrol Division. There are many factors which assisted us in this accomplishment. Increased wages was a key factor in this stabilization. Additionally, placing the highest emphasis on a good and strong culture which promotes leadership growth within our organization has been equally impactful. We must continue to re-imagine how law enforcement organizations are operated to maximize the full potential of our people and meet the mission of the Harvey County Sheriff's Office. We are confident that our organization will succeed for the foreseeable future.

## **2023 Accomplishments**

---

- Continued to save money by providing cutting edge in-house training for Deputies. The Sheriff's Office also sent more Deputies to outside training at little to no cost to the Sheriff's Office. This ultimately saves money while continuing to promote the most modern law enforcement techniques
- Participated in the Holiday Helpers program which helps to provide food for families in Harvey County
- Developed a bicycle team to assist with patrolling the Harvey County Parks and cities within Harvey County which do not have 24 hour law enforcement services
- Developed a Leadership Academy to promote leadership growth within our organization This program will promote leadership from bottom up

- Redesigned the Field Training Officer Program which invests more time and increases standards for trainee's to better serve the citizens of Harvey County
- Replaced aging patrol equipment to better serve the mission of the Harvey County Sheriff's Office
- Completed a facility assessment on the Detention Center with proposals for improvements
- Completed a near 100% certification for all Patrol Deputies in Crises Intervention Training (CIT)
- Saved money by providing in-house training for Deputies and limited the amount of training received outside the Sheriff's Office.
- Participated in the Holiday Helpers program which helps to provide food for families in Harvey County
- Conducted a successful DUI check lane for the first time in many years
- Added a new K9 to our agency that was funded by donations from the Citizens of Harvey County
- Were approved to have a facility assessment of our Detention Center

## **2024 Goals/Objectives/Initiatives/Performance Measures**

- Complete the process for the jail remodel with a firm start date
- Adequately staff the Patrol Division to meet the growing needs of the citizens of Harvey County and the safety of our Deputies
- Continue the trend of retaining and developing our Deputies to meet the mission of the Sheriff's Office
- Continue to replace aging equipment our deputies need to perform their jobs in a safe and efficient way
- Develop a clear plan for the addition of a second K-9 for the Harvey County Sheriff's Office
- Continue to provide in-house training to our employees that is relevant to today's standards and best practices
- Examine the Deputy spay scale to remain competitive in the South Central Kansas Region
- Explore the potential creation of Master Deputy Positions with the Sheriff's Office to provide an opportunity for promotional growth within the Sheriff's Office.
- Examine and modernize the Reserve Deputy Program to meet the needs of the Harvey County Sheriff's Office and keep it viable in the future

## **2025 Goals/Objectives/Initiatives/Performance Measures**

- Plan and Prepare for additional Patrol Deputies to meet the needs of the citizens of Harvey County
- Increase rural patrols so that Deputies are more visible and hopefully decrease property crime in the County
- Explore having Deputy Liaison's for all Harvey County Townships

- As always, Officer Safety is vital at this point in our Country. Increasing training and equipment to keep our Deputies safe is a necessity.
- Explore the implementation of the FLOCK camera system in Harvey County to better deter crime and apprehension of suspects involved in criminal activity

## **Department's Alignment with County's Mission and Values**

---

**It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.**

**Integrity** – We strive always to be consistent and transparent when interacting with co-workers and the public. We hold ourselves accountable for all our actions.

**Respect** – We show respect by sincerely listening to others, by being considerate, and by being fair.

**Understanding** – We show understanding by empathizing and creating friendly and harmonious relationships.

**Well-being** – Well-being includes physical, mental, and social wellness. We promote well-being by practicing appreciation, kindness, and generosity.

**Courtesy** – We show courtesy to others by making eye contact, by addressing others civilly, by promptly responding to requests, and by honoring deadlines.

**Humor** – We value a sense of humor because it reflects creativity and well-being. When appropriate, we make laughing a priority.

# Harvey County – 2025 Budget

## **Department**

---

Communications Services (9-1-1)

## **Mission**

---

The mission of the Harvey County Communications Center is to provide prompt, professional service to our citizens and emergency responders. We are committed to serving with integrity, compassion, cooperation, and courtesy in order to promote and protect the public safety and security of our communities.

## **Department/Program Information**

---

Harvey County Communications provides 911 and administrative call answering and dispatching services to all of Harvey County including the cities of Newton, Halstead, Sedgwick, Burrton, Hesston, North Newton and Walton. Harvey County Communications dispatches responders from all police, fire, EMS and public works agencies within these response boundaries.

Other services provided and responsibilities include:

- Utilizing the APCO Emergency Medical Dispatch system to offer immediate basic life support instructions by telephone until responders arrive.
- Coordinating law enforcement, EMS and fire personnel on multiple agency responses.
- Gathering information from the scene prior to unit arrival to assure the safety of those responding and to monitor their safety throughout the call.
- Offering support, guidance and structure to emergency callers until units arrive and take physical control of the scene.
- Monitor severe weather conditions, notify responders of watches and warnings, and activate tornado sirens.
- Enter wanted, missing or endangered persons and stolen property into the National Crime Information Computer and maintain and update those entries as needed.
- Process and disseminate Criminal History Record Checks for court services and law enforcement personnel.
- Providing on scene support, communications expertise, and resource gathering and tracking for incident commanders while focusing on the major incident and allowing the Communications Center to continue handling day-to-day events.
- Provide oversight and management of Harvey County portion of the State P25 800 Radio system including equipment maintenance, programming and policy.
- Harvey County Communications strives to send the right units, at the right time, in the right way to protect the lives and property of those we serve.

## **2023 Accomplishments**

---

After the 2 years of obstacles and struggles related to the COVID pandemic and staffing issues, 2023 was a pleasant return to a somewhat normal state for us. But that also meant our partner agencies were seeing increased activity as well. While Fire saw slight decrease in calls, and EMS saw a continuing minor increase, Law Enforcement saw a huge increase in activity (most officer-initiated activities) that resulted in a 16.6% jump in our CAD call volume while 911 and administrative phone calls went down 9%. Our year was punctuated by 2 homicides, a major accident and fire on the south side of Newton along US50 Highway, and a couple of days of icy roads and many accidents. Through it all, our staff acted with professionalism and expertise to get the situations handled at the very best level in concert with our response partners in service to the citizens.

## **2024 Goals/Objectives/Initiatives/Performance Measures**

---

The move to APCO EMD protocols has finally been accomplished, and the new protocols are in use. We continue to work with staff, our Medical Director and EMS to tweak them a bit. Our staff has found them much easier to utilize. Other changes that have occurred this year has been the decision by Law Enforcement leaders to encrypt their channels to protect personal identifying information and further protect officer safety. Day to day it has not had a great effect on operations, other than several ancillary people that had radios without encryption that have been “left in the dark” for now (Jail, KHP, Road & Bridge). Also, legislation is working its way through the Topeka statehouse to change the 911 Coordinating Council to a state agency with more oversight. The latest revision of the bill may give us a 3% increase in our 911 fee distributions. Projects are underway to improve radio coverage in the Courthouse, Detention Center and at East Lake for the Park Rangers. We are ramping up our Quality Assurance review program to improve our performance, and working on a major revamp of our training program. Our big project to update the console furniture and raised floor in Dispatch got pushed off until 2025 when the bids came in over budget, but we are still moving forward.

## **2025 Goals/Objectives/Initiatives/Performance Measures**

---

Our big project for 2025 will be the replacement of the 5 existing sit/stand consoles, as well as adding a 6<sup>th</sup> position for training and overflow. We will also be replacing the 27-year old raised computer floor panels and carpet tiles, as well as adding improved video monitors for situational awareness and the room décor. We will be keeping a close eye on operational statistics. If law enforcement activities continue to increase, it may necessitate a look at staffing levels. Newton Fire/EMS has initiated Mobile Data Computers in all apparatus which streamlines call handling and dispatching, and is promoting their use by all Fire/EMS agencies county wide, but they have also suggested the need for additional dispatch staff to more closely monitor secondary Ops channels during major events (wildfires, structure fires).

## **Department's Alignment with County's Mission and Values**

---

**It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.**

**Integrity** – Harvey County Communications aligns with the County Mission by providing dedicated, well-trained staff to provide the best possible service and response to the citizens and responders.

**Respect** – Through their training and policies, staff are encouraged and expected to treat callers, responders and each other with the utmost respect, and to do all they can to be helpful and accountable.

**Understanding** – People do not generally call us because they are having a good day. We deal with people under stress, in emergencies, and when they are at their worst. Our staff are trained and guided to be understanding, compassionate, and not take callers personally, but still offer what help they can and get aid to them as quickly as possible.

**Well-being** – Not only do we deal with citizens and responders who are under stress, but our staff can feel the effects of traumatic calls on a daily basis as well. We are very cognizant of this fact, and provide training and information to staff on stress management, and encourage everyone to watch out for each other and bring issues to our attention. In addition, several members of the staff are trained in CISM and provide peer support when needed.

**Courtesy** – Courtesy goes hand-in-hand with respect; dispatchers are expected to be courteous and respectful to callers and responders alike, and to avoid letting emotions control the conversation.

**Humor** – Dispatch has its serious moments, but we also encourage a workplace where employees can feel free to laugh, share, and be friendly to each other. But when duty calls, it is expected and observed that they act courteously and professionally with citizens and responders at all times.

Ambulance Appropriation

## Department/Program Information

---

Harvey County utilizes General Fund revenues to provide an allocation to cities providing ambulance services within Harvey County, in lieu of the County operating an ambulance service. The distribution formula for the ambulance service allocation is outlined in Kansas Statute (K.S.A.) 65-6113, which provides that allocations are to be made based on percentage that the assessed tangible taxable valuation the taxing district bears to the total taxable tangible valuation of the County, unless the taxing district receives from the County more than the district's cost of furnishing such ambulance services.

Emergency Management

## **Mission**

---

Harvey County Emergency Management Department is dedicated to serving the citizens and local governments of Harvey County by providing assistance in order to mitigate against, prevent, protect, respond, and recover from all types of emergencies and disasters.

## **Department/Program Information**

---

Managerial function charged with creating the framework within which communities reduce vulnerability to hazards and cope with disasters. Responsible for plans, programs, and training that protects our communities from disasters - and if they do occur - support the response and recovery efforts.

Based on K.S.A. 48-929, each county within the state shall establish and maintain a disaster agency responsible for emergency management and coordination of response to disasters or shall participate in an interjurisdictional arrangement for such purposes under an interjurisdictional disaster agency as provided in K.S.A. 48-930, and amendments thereto.

## **2023 Accomplishments**

---

- Completed all requirements and maintained eligibility for Emergency Management Performance Grant.
- Coordinated, and participated in, three multi-agency exercises; an Integrated Preparedness Planning Workshop, a tabletop simulation for active shooter response, and a tabletop simulation for tornado response.
- Supported, promoted, and improved upon the functions of the Local Emergency Planning Committee (LEPC) to enhance County-wide interoperability and readiness. Conducted first-ever off-site meeting designed to broaden the perspective of the LEPC while becoming more engaged with community partners.
- Conducted two exercises with Long Term Care facilities to ensure all-hazards readiness and test their Emergency Operations Plan (EOP).
- Enhanced Emergency Operations Center (EOC) readiness by upgrading the Emergency Management Situational Awareness Dashboard consisting of climate, fire, seismic, hydrological, and regional drought data. All data is forecasted at least three days out and enables advance preparation for potentially high-impact events.
- Improved community preparedness and situational awareness by partnering with the Harvey County Public Information Officer to enhance the Emergency Management Preparedness public webpage. Added 11 new web links for weather/environmental conditions, road conditions, and utility status.

- Continued to operationalize the strategic Harvey County Emergency Operations Plan by enhancing the mission-specific checklists.
- Partnered with the Community Chaplain Response Team (CCRT) to coordinate the Volunteer Response Team (VRT). The VRT was recently called upon to support a local response impacting a large commercial retailer. .
- Continued development of a new ESF for Mental and Spiritual Health (ESF-18). This new ESF will take a whole-of-community approach for mental and spiritual health during and after a disaster for both community members and response personnel alike.
- Expanded stakeholder knowledge of EOC operations through training, exercises, and outreach.
- Continued to partner with the Harvey County Public Information Officer (PIO) to create a more robust social media outreach and engagement program, with a year-round focus on community education and preparedness, real-time weather notifications, and suicide prevention.
- Continued to refine an active shooter threat response within Unified School District (USD)-373, Harvey County Sheriff's Office, Newton Police, and Newton Fire/EMS.
- Developed and incorporated framework for County-wide standardized approach to active shooter response protocols for four USDs and two colleges; assimilated processes into the Harvey County Emergency Operations Center. This framework better established the role clarity between the impacted USD/college and all responding partners, identified capability and resource gaps, and developed a methodology by which USDs and colleges throughout Harvey County jointly agreed to provide staff and support to an impacted school during an active shooter event. Emergency Management is now meeting with each of the four USDs and two colleges on an every-other month basis individually.
- Developed, facilitated, and participated in an active shooter evacuation, transportation, and reunification exercise with USD-373, Newton High School, Harvey County Sheriff's Office, Newton Police Department, and Newton Fire/EMS.
- Built and sustained additional partnerships by teaming with diverse community groups, local school districts, colleges, long-term care and health providers, civic organizations, first responders, and volunteer agencies. Stabilization Reserve

## **Department/Program Information**

---

On March 7, 2011 the Harvey County Commission adopted and on July 14, 2014 revised the Fund Balance Policy in order to maintain prudent reserve amounts in County funds to preserve the credit worthiness of the County for borrowing monies at favorable interest rates, to maintain working capital for the County to meet cash flow needs during the year, and to maintain balances of funds at levels sufficient to mitigate current and future risks, such as revenue shortfalls and unanticipated expenditures. The policy for the General Fund is to maintain a minimum unreserved balance on December 31 of year equal to a minimum of 15 percent of the budgeted annual expenditures and transfers out.

The Stabilization Reserve was created to assist the County in meeting this policy requirement while ensuring compliance with the State's budget laws for local governments.

## Department

---

Health

## Mission

---

Harvey County Health Department is committed to protecting the public’s health and environment, preventing disease, and promoting healthy living.

## Department/Program Information

---

The Harvey County Health Department (HCHD) is responsible for monitoring the health status of residents in Harvey County. This includes the investigation of reportable diseases and school inspections. (KSA 65-118, 65-128, 65-6001-65-6007, KAR 28-1-2, 28-1-4, 28-1-18, and KSA 65-202.)

We are health strategists providing health data, seeking resources, as well as being a provider for health-related needs in our county. Refer to the “Harvey County Health Department” brochure or department web page at [www.harveycounty.com](http://www.harveycounty.com) for a comprehensive listing of services.

Public Health Officer and Medical Consultant: Dr. Doyle Detweiler.

The Centers for Disease Control and Prevention’s (CDC) 10 Essential Public Health Services provide a framework for public health to protect and promote the health of *all people in all communities*. To achieve equity, the Essential Public Health Services actively promote policies, systems, and overall community conditions that enable optimal health for all and seek to remove systemic and structural barriers that have resulted in health inequities. Such barriers include poverty, racism, gender discrimination, ableism, and other forms of oppression. Everyone should have a fair and just opportunity to achieve optimal health and well-being.

1. Assess and monitor population health status, factors that influence health, and community needs and assets
2. Investigate, diagnose, and address health problems and hazards affecting the population
3. Communicate effectively to inform and educate people about health, factors that influence it, and how to improve it
4. Strengthen, support, and mobilize communities and partnerships to improve health
5. Create, champion, and implement policies, plans, and laws that impact health
6. Utilize legal and regulatory actions designed to improve and protect the public’s health
7. Assure an effective system that enables equitable access to the individual services and care needed to be healthy
8. Build and support a diverse and skilled public health workforce
9. Improve and innovate public health functions through ongoing evaluation, research, and continuous quality improvement
10. Build and maintain a strong organizational infrastructure for public health

## **Department's Alignment with County's Mission and Values**

---

**It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.**

**Integrity** – Each employee has a criminal background check upon hire. Department policies/procedures about interactions with clients, the public, and other staff stress the need for confidentiality and responsibility to the work of the health department. All staff participate in annual HIPAA training. Annual review of licensure of clinical staff is conducted.

**Respect** – At orientation, each health department staffer learns of the HIPAA regulations and culture of respect and dignity in the health department. This is continually addressed at staff meetings.

**Understanding** – Staff are trained on their specific duties and the role of the health department in the community and the county government system. Through the year, continuing education is offered to every staff member for growth in their role and the department's purpose.

**Well-being** – Staff are encouraged to participate in the county wellness team's events/offerings and take time for themselves to be refreshed for their role in the department. Breaks and lunch times are observed by all staff.

**Courtesy** – As a service-providing agency, courtesy is always stressed. Staff hold each other accountable for courteous and kind interactions. When situations occur, health department staff discuss possible solutions in the event of future encounters.

**Humor** – The culture of the health department has evolved to one of respect for all and recognition of times of lightheartedness.

## **Department's Alignment with County's Mission and Values**

**It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.**

**Integrity** – We do our best to keep everyone informed on what is happening in their parks. It is one of our top priorities to treat everyone fairly and with honesty.

**Respect** – Whether it be planning activities or reviewing policies, procedures and regulations we try to consider everyone's uniqueness and needs. While enforcing County and State regulations we always listen and take into consideration the individual situation and first try to educate about the violations and then deal with any issues that need further attention.

**Understanding** – Through our educational programs we provide the information that is necessary to understand how the respect of nature plays a vital role in our everyday lives. We strive to continually educate ourselves to the needs of the communities we serve.

**Well-being** – We provide outdoor activity opportunities to improve both physical and mental health.

**Courtesy** – We are always available when needed and treat everyone fairly and equally.

**Humor** – We recognize that a sense of humor is key to enjoying ourselves and try not to take ourselves too seriously. From our family friendly events, to having a conversation with our patrons, we want everyone to leave with a smile and be excited and looking forward to coming out to a park again.

Harvey County Historical Society Appropriation

## **Department/Program Information**

---

Based on Kansas Statute(s) K.S.A. 19-2648 and K.S.A. 19-2651, the Harvey County Historical Society provides for the collection of records, documents, and articles of historical value or interest and establishes, maintains, displays and provides housing for the historical collection of such records, documents and articles relating to Harvey County. In 1963, the County Commission passed Resolution 1963-28 authorizing financial assistance to the Harvey County Historical Society. The County's annual appropriation to this organization is for housing Harvey County government historical records and to help offset their operational costs.

Free Fair and Saddle Club Appropriation

## **Department/Program Information**

---

Harvey County allocates funding to the Harvey County KS Fair Association and the Newton Saddle Club on an annual basis. The Harvey County Fair and Saddle Club Fair Rodeo is a county-wide event held annually in August. The carnival and most events are free and open to the public. In addition to this, there are numerous 4-H events and exhibits, in addition to a rodeo, demolition derby, and parade. Funding for this event helps to offset expenses, as set forth by Kansas Statutes (K.S.A.) 2-129 and 2-132.

- Erosion control

- Drift/debris removal
- Culvert maintenance
- Biennial Bridge Inspections (contracted)
- Bridge construction project inspection

## **2023 Accomplishments**

---

### **E-30.6 BRIDGE REPLACEMENT**

Dondlinger Construction completed this bridge replacement project in December of 2023. We competed for and utilized funds from the Off-System Bridge Replacement Program. The total project cost was \$667,365.78, and Harvey County's part amounted to \$133,473.16.

### **G-22.5 BRIDGE REPLACEMENT**

Klaver Construction was awarded this contract, the final cost of which was \$280,839.09. It involved replacing a deficient 3 barrel reinforced concrete box built in 1952 with a new 3 barrel cast in-place reinforced concrete box bridge. It took 49 working days out of an allowable 75.

### **HMA OVERLAY PROJECT (1.75")**

APAC-Kansas overlaid a total of 14.5 miles, including E. 1<sup>st</sup> from Newton to Osage, and S. Halstead Rd. from SW 36<sup>th</sup> to SW 125<sup>th</sup>. Final cost of the project was \$2,382,007.75.

### **REGRADE PROJECT**

### **EQUIPMENT PURCHASES**

- ¾ Ton 4X4 Pickup
- Flex-wing Mower
- 2- Class 8 Dump Trucks
- Power Broom
- Chipper
- Gooseneck Trailer

## **2024 Goals/Objectives/Initiatives/Performance Measures**

---

### **4-Q.4 CULVERT REPLACEMENT**

### **D-8.7 BRIDGE REPLACEMENT**

This \$465,585.05 contract with Klaver Construction is nearing completion at the time of this submittal. 4-Q.4 is located on N. Prairie Lake Rd. north of W. Dutch; and D-8.7 is located on SW 72<sup>nd</sup> between S. Golden Prairie and S. Spring Lake Rd. These structures were structurally deficient, and in such a condition that would have soon necessitated their closures.

### **MICROSURFACING – 7.15 miles**

Vance Brothers will begin this \$420,489.84 project this spring, involving N. Meridian, and NE 60<sup>th</sup> west of Walton. The City of Newton will participate paying for the portion of N. Meridian between W. Broadway and the city limits.

### **HMA OVERLAY PROJECT – 7.86 miles**

This contract was awarded to Pearson Construction for \$1,694,558.00. It includes W. Dutch from Hesston to N. Halstead Road, and NW 36<sup>th</sup> from West Park to N. Halstead Rd.

### **C-29.8 CULVERT REPLACEMENT**

C-29.8 is a concrete slab culvert measuring 8 feet long. It is on SE 84<sup>th</sup> just west of S. Harvest Hill and is in very poor condition, rating just 2 out of 10. Road & Bridge will replace this in-house with a corrugated metal pipe.

### **31-A.6 CULVERT REPLACEMENT**

This is a concrete box on S. Osage between SE 125<sup>th</sup> and SE 96<sup>th</sup>. It is in very poor condition, rating 1 out of 10. Road & Bridge will replace this in-house with a corrugated metal pipe.

## **UNSURFACED ROAD IMPROVEMENTS**

### **PAVEMENT STRIPING**

About 30 miles worth of pavement striping on new and old pavement. This work will be contracted.

### **SHOULDERING**

### **CRACK SEALING**

### **EQUIPMENT PURCHASES**

- Office Copier
- Motor-grader
- Water Truck
- Flatbed Truck
- Barricade Trailer
- Computers

### **PAVEMENT PATCHING**

### **BIENNIAL BRIDGE INSPECTION**

This inspection is underway and performed by MKEC Engineers.

## **2025 Goals/Objectives/Initiatives/Performance Measures**

### **PAVEMENT IMPROVEMENTS**

S. Ridge Rd., S. Hertzler, S. Burmac, SW 96<sup>th</sup>, and W. Dutch are presently at the top of the priority list for new surfacing. Of these 38 miles we need to address at least 23 to meet our 7 year rotation commitment.

## **RCB REPLACEMENT PROGRAM**

- 15-J.9 – Located on N. Emma Creek Rd., just south of NW 12<sup>th</sup>. This structure is designed and permits have been acquired. It was included in the replacement plan for 2023, but omitted due to lack of funds.
- 2-A.2 – Located on S. Wheat State Rd. north of SW 125<sup>th</sup>. This structure was designed and permitted in 2017 for replacement, but was omitted from the contract due to lack of funds.

## **30-I.2 BRIDGE REPLACEMENT**

Located on S. Harvest Hill north of SE 12<sup>th</sup> 0.2 mile, this bridge is 23 feet long, and was built in 1920. Its load rating is posted 5 tons, and it is has been #1 on our bridge replacement priority list since 2021. A bridge rated 3 tons must be closed. The BOCC decided against replacing it in 2024. I have applied for funding assistance from the State in 2020, and again in 2022 with no success. Given its size, an in-place reinforced concrete box bridge would be a likely solution. This would be a contracted project.

## **EQUIPMENT PURCHASES**

- Class 8 Dump Trucks (2)
- Skid Loader
- Flatbed Truck
- Barricade Trailer

## **Department's Alignment with County's Mission and Values**

**It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.**

**Integrity** - It is the difference between success and failure. Without it, no accomplishment matters, and with it even the smallest act becomes important. Every action we take is an opportunity to display integrity, from being punctual to keeping our word. It also involves not making promises that are unrealistic, and not attending every argument one is invited to. Integrity involves being willing to succeed quietly.

### **Respect –**

- In local government, the realization that one is using other people's money to do what we do is vital in handling those resources respectfully. It is reflected when we endeavor to be efficient by adhering to schedules, finding and utilizing the most economical and quality materials, streamlining logistics, and maintaining equipment well.
- Respecting one another is a prerequisite. Everyone is worthy of respect, and it is the starting point toward resolution and accomplishment.

### **Understanding –**

- Understanding our Job: Its validity, as well as how to do it well.
- Understanding the Public: Although we are on the road making improvements, we are in their way doing it. The first step in understanding the public is to understand they will often

not understand. Knowing that going in helps prepare us to handle them politely. Understanding that they deserve their moneys' worth helps motivate us to do good work.

- **Understanding Each Other:** It helps keep expectations reasonable when we understand we are individuals with different abilities, personalities, and skill levels. We are people first, and co-workers second. It is vital to understand one of us is not enough to do what needs to be done. We need each other.

**Well-being** - A positive attitude is imperative in every line of work. Attitudes are contagious, and a sour one can erode productivity and cause an organization to implode. Good communication helps, in that it reduces guess work and adds clarity to everything. Having high standards is good, but encouraging employees to buy into performing and producing well is vital, and it can result in a higher satisfaction of achievement in the end. As a department, we recognize good work and point to it as a standard.

**Courtesy** - Being courteous speeds up the building of trust. Courtesy toward the public in the way of prior public notification, being polite, and being proactive in correcting things rather than being reactive reduces complaints and builds better relationships.

**Humor** - A sense of humor is essential for everyone who works at Road & Bridge. It keeps things more relaxed and makes the day more enjoyable. Everyone must be able to laugh at him/herself. It also is the quickest way to de-escalate an altercation. Once two people have laughed together, often they find a commonality from which to go forward together.

# Harvey County – 2025 Budget

## Department

---

Noxious Weed Fund

## Mission

---

The Noxious Weed Department will work to control and eradicate certain plants declared to be noxious weeds by state statutes. In doing this, our department will spray County maintained right-of-ways, county owned properties, and contract to spray township right-of-ways.

We will also work to control the spread of Sericea lespedeza and Musk thistle on private properties in Harvey County. Our department will also work to control brush around County-owned bridges and right-of-ways.

The Noxious Weed Department is also tasked with helping the Courthouse Maintenance Department with snow removal from the sidewalks when deemed necessary.

## Department/Program Information

---

Kansas statutes (s) 13, 2-1314 to 2-1332 states that all landowners must control and eradicate noxious weeds on their property. The Noxious Weed Department oversees this law.

Weeds declared noxious in the State of Kansas (10/1/2018) are: kudzu, field bindweed, Russian knapweed, Hoary cress, Canada thistle, Quack grass, Leafy spurge, Bur ragweed, Pignut, Musk thistle, Johnson grass, and Sericea lespedeza.

The Noxious Weed Department uses herbicides along Harvey County right-of-ways to control weeds declared noxious by the State of Kansas. We also contract with the townships to spray their right-of-ways.

During the winter months, the Noxious Weed Department cuts trees and brush on County-owned properties, bridges and roads.

## 2023 Accomplishments

---

### Bindweed:

Total Bindweed acres sprayed:	1463.3 Townships
	528 County
	666.7 Private

### Johnson Grass

Total Johnson Grass acres sprayed:	18.9 Townships
	.3 County
	7.4 Private

### Musk Thistle

Total Musk Thistle acres sprayed:

52.3 Private

### Misc. Spraying

Worked on the annual spraying of the following areas:

- Fairgrounds, Demo pit & under Bleachers.
- Sheriff's Office, Shooting Range.
- Guardrails on Harvey County Bridges.
- Sprayed 2 tower sites for Communications.

### Equipment

The following equipment was purchased this year:

- Replaced 2 overhead doors on north side of Noxious Weed building with insulated units with power openers.
- Installed electrical for the 2 overhead doors.
- Purchased 1 High Noise Headset.
- Purchased 1 Jamar digital measuring unit for sign placement.
- Modified a set of booms for use on the A.T.V. & U.T.V.

### Brush Control & Snow removal

- Worked on various areas on S. Burmac Rd. north of S.W. 96th.
- Worked on vision obstruction complaint at S.W. 84th south of the Hunt Cemetery. On east side of road.
- Started work on tree trimming & removal on N.E. 60th West of Spencer Rd. on North side of bridge #O-21.7.
- Helped Court House Maintenance Staff with snow removal on sidewalks.

## **2024 Goals/Objectives/Initiatives/Performance Measures**

---

- Spray county right-of- ways.
- Spray townships as requested by Township Boards.
- Control brush around county-owned bridges, intersections, yield signs and stop signs.
- Continue brush and tree trimming across the county on major roads for fire control (i.e. N. Burmac Road & N. River Park Road).
- Work on adding more warning lights to trucks and equipment as needed.
- Spray County-owned properties, (i.e. Fair Grounds, Shooting range, Road & Bridge yard, West Park).
- Continue using basil treatments for sapling control in right-of-ways.

## **2025 Goals/Objectives/Initiatives/Performance Measures**

---

- Spray townships.
- Not spraying on private property unless by legal notice.
- Spend more time checking for noxious weeds on private property, county roads, and State right-of-ways.
- Control brush around County owned bridges, intersections, yield signs and stop signs.
- Spray County-owned properties, (i.e. Fair grounds, Sheriff's Office shooting range, Road & Bridge yard).

# Harvey County 2025 Budget

## **Department**

---

Solid Waste

## **Mission**

---

To dispose of solid waste in the most economically and environmentally sound way that current regulations and resources allow. To always be looking for alternative methods of solid waste disposal in order to provide a more sustainable living environment in Harvey County. To provide services in a friendly, professional, cost effective manner.

## **Department/Program Information**

---

The key purpose of the department is to provide a place for Harvey County residents to dispose of unwanted items. We are governed by the Kansas Department of Health and Environment (KDHE) who establishes guidelines as well as statutory regulations regarding what can and cannot be utilized as methods for solid waste disposal. We are also governed by the Environmental Protection Agency (EPA) who oversees water quality and protection of surface and groundwater. The list of statutes and regulations that apply to our service is extensive. There are very few items that cannot be disposed at or through our facility, which is a service not available in all counties of Kansas. Services include refuse disposal, construction and demolition disposal, composting, recycling, tire disposal, appliance disposal, metals disposal, household hazardous waste disposal, yard waste disposal, brush and limb disposal, as well as an avenue for disposal of special wastes including but not limited to asbestos.

## **2023 Accomplishments**

---

- Diverted over 1,297 tons of construction and demolition waste from the tipping floor preventing the higher cost of transporting to the Reno County landfill
- Diverted over 78.24 tons of metal from the tipping floor which was sold and recycled
- Diverted over 42 tons of metal from both the construction and demolition landfill and the public drop-off area which was sold and recycled
- Diverted over 30 tons of mattresses to the recycle program
- Passed all site inspections
- Finalized soil samples in our cut area
- Improved aesthetics by staying caught up with blowing litter
- Updated signage at compost

## **2024 Goals/Objectives/Initiatives/Performance Measures**

---

- Pass all site inspections
- Purchase evacuation equipment for refrigerant in appliances
- Purchase heater for the recycle shop
- Continue replacement of old/worn out equipment
- Increase diverted tonnages
- Maintain a clean, safe work space
- Work to increase control of loose, blowing debris
- Finalize the permit process and get approval for the construction and demolition center cell expansion

## **2025 Goals/Objectives/Initiatives/Performance Measures**

---

- Pass all inspections
- Increase diverted tonnages
- Continue upgrades on old and worn equipment
- Find new ways to improve diverted tonnages
- Make sure all signs in all locations are up to date and legible

## **Department's Alignment with County's Mission and Values**

---

**It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.**

**Integrity**– Core to operations. Our honesty is not always the most popular response but we relay the truth in all circumstances.

**Respect**– We try very hard to treat everyone as we would want to be treated and recognize that we are not always right.

**Understanding**– Our goal is to listen first then try to respond with the other person's interest in mind, within the boundaries of regulations. Customer's needs can vary and we try to recognize that.

**Well-being**– We try to make all employees feel they are an important part of the whole process and what they do is appreciated.

**Courtesy**– Everyone is treated the same to show no partiality. No business is preferred to another because of internal alliance.

**Humor**– We strive to laugh at ourselves and situations but NEVER at the expense of someone else.

County Extension Council Fund

## **Department/Program Information**

---

The County Extension Council Fund is a mill levy fund for the purpose of providing operational funding for the Harvey County Extension Council as set forth by Kansas Statute 2-610. Additionally, the Extension Council is funded by the federal government, and the State of Kansas. Federal and State funds are allocated through Kansas State University. The Extension Council provides educational seminars and information on a large variety of topics including: Agriculture and horticulture education, 4-H and educational opportunities for positive development of youth, family and consumer sciences. Some examples of programs and educational seminars available are food safety and nutrition, personal budgeting, soil testing, environmental safety, and farming/gardening seminars.

# Harvey County – 2025 Budget

## **Department**

---

Technology Fund – County Treasurer

## **Mission**

---

The mission of the County Treasurer Technology Fund is to utilize the fund to its fullest extent, while remaining in compliance with KSA 28-181.

## **Department/Program Information**

---

The primary purpose for the fund is to provide funds for purchasing technology. In 2024 the money was used to renew our subscription to No Wait Inside to aid in setting driver's license appointments as well as vehicle and property tax appointments to help reduce lines in the hallway and foyer in the courthouse. The money will also be used to purchase each staff member a new printer and replace the check printer that has not been replaced since it was purchased I believe around 2017.

In 2025 the money will be used to renew the No Wait Inside subscription to continue to offer appointments for customers that prefer it. It will also be used for any needed equipment or technology to perform our job duties.

# Harvey County – 2025 Budget

## **Department**

---

Department on Aging Fund

## **Mission**

---

To deliver quality services that sustains well-being and self-reliance.

## **Department/Program Information**

---

The Department on Aging aims to support Harvey County residents over the age of 60 with the information and assistance necessary to maintain wellness and independence. The values guiding these efforts include respect and dignity for each individual, each person's right to self-determination, the importance of self-reliance and self-care, diversity, and advocacy.

## **2023 Accomplishments**

---

There are eight Harvey County Department on Aging focus areas: 1-personnel, 2-administration, 3-IIIB Information and Assistance, 4-IIID Evidence-Based Disease Prevention and Health Promotion Service, 5-IIIE Family Caregiver Support, 6- RSVP (Retired Senior Volunteer Program), 7-Transportation, and 8-the Advisory Council on Aging. You will find each focus area's performance measurements and evaluations, with goals for each.

### **Personnel:**

The Harvey County Department on Aging works to fulfill its mission with four full-time positions. The positions are Director, Program Specialist, RSVP Coordinator, Transportation Coordinator, one part-time office position, and five part-time drivers.

The Department on Aging has maintained all full-time staff, and all have participated in aging-specific training; Mary Adams serves as RSVP Coordinator, Karen Kaufman serves as Transportation Coordinator, Christy Estrada serves as Program Specialist, and Lona Kelly serves as Director. The part-time staff was also maintained, with the addition of one part-time driver in 2023.

### **Administration:**

The Harvey County Department on Aging has the following mission, vision, and goals. "Mission- to deliver quality services that sustain wellbeing and self-reliance. Vision- to support Harvey County residents over 60 with the information and assistance necessary to maintain wellness and independence. Values- Guiding our efforts: respect for individuals, the dignity of individuals, and each person's right to self-determination, the importance of self-reliance, self-care, and diversity."

To fulfill its mission, the Harvey County Department on Aging collaborates with the following agencies: Central Plains Area Agency on Aging, Kansas Department on Aging and Disability Services, Harvey County Commission, Department on Aging Advisory Council, Kansas Department of Health and Environment, Kansas Department of Transportation, area Home Health Care

Agencies, Newton Police Department, Harvey County Sheriff, Harvey County Communications, Senior Housing, Long-Term Care and Assisted Living Facilities, AmeriCorps Seniors, Mental Health Assoc. of South Central Kansas - Senior Companion Program, Newton Meals on Wheels, Harvey County Senior Centers, Medical Services Bureau, Harvey County Extension Office/SHICK Program, Kansas Department for Children and Families, Harvey County Health Department, the Healthy Harvey Coalition, the Harvey County Resource Network, the Kansas Mental Health Association, Prairie View, National Association of Social Workers, Newton Recreation Commission, Newton Wellness Center, Hospice Services, NMC Health, Doctors and Staff of Harvey County, Sedgwick County Department on Aging, The American Red Cross, United Way, Salvation Army, Mid-Kansas Community Action Program, Independent Living Resource Center, Prairie Independent Living Resource Center, Cerebral Palsy Research Foundation, The Arthritis Foundation, Wichita State University, Newton Public Library, Hesston Wellness Center, Mid-Kansas Senior Center Association, Kansas Advocates for Better Care, Aging Projects Inc., and Newton YMCA.

Working through the Tri-County agreement and Central Plains Area Agency on Aging (CPAAA) and Older Americans Act (OAA) programming, 519 unduplicated Harvey County citizens received program services totaling \$465,249 for 2023 (This includes the last quarters of 2022 and the first two quarters in 2023). The most significant portion of the services provided are under the OAA Nutrition program, serving 189 citizens 10,835 meals in a congregate program at one of the participating senior centers in Harvey County, and 401 citizens received 45,163 home-delivered meals either through one of the senior center sites or Newton Meals on Wheels. Combined OAA congregate and home-delivered meals cost \$429,430 for 2023. OAA National Family Caregiver Support Program increased services in Harvey County, serving 25 unduplicated individuals for \$ 11,596. The Senior Care Act (SCA) state-funded in-home support program experienced a decrease in the number of individuals served but still provided \$24,222 worth of service in Harvey County. The Department on Aging is receiving more request for all three in-home support services under the tri-county agreement, and we are making an increased number of referrals to the CPAAA for them.

### **III B Information and Assistance:**

Our Information and Assistance Program offers referrals and information to callers using local 800 phone numbers and Internet address links. The Older Americans Act IIIB program funding flows through the Central Plains Area Agency on Aging Area Plan each year. For the 2023 calendar year, we assisted approximately 3,752 unduplicated persons with information, resources, and assistance. Continuing to age in the community often overwhelms many older adult and their families. The Department on Aging is here to assess and provide resources and options to strengthen and inform older adult and their families so they may continue to live independently with dignity and respect.

### **III D Physical Fitness:**

Older American Act IIID Program encompasses disease prevention and health promotion to support healthy lifestyles and promote healthy behaviors amongst older adults, 60 years and over. The Department on Aging set out to reestablish fall prevention with the A Matter of Balance (AMOB) classes in 2023, increasing the number of certified AMOB coaches to four. The 2023 goal of completing two classes during the year was exceeded; three AMOB classes were completed, coaching 30 unduplicated participants.

### **III E Caregiver Support:**

Our OAA Caregiver Support programs provide caregivers assistance, information, and respite relief. Central Plains Area Agency on Aging Area Plan sets funding levels for each OAA Caregiver

program. In 2023, we supplied 380 caregivers with one-on-one assistance, and 20 unduplicated individuals received respite relief, totaling 663 hours of service. In 2023, Aging provided in-person information group presentations and Health & Safety Fairs; we saw 568 persons. We shared caregiver information and education with 610 persons through the As We Age quarterly newsletter. Social media information posts on Facebook and Twitter reached 11,507 individuals in 2023. Total caregiver support reached 13,085 persons in 2023, with information, education, and in-home support.

### **RSVP:**

Harvey County RSVP provides volunteer opportunities for persons 55 and older. RSVP encourages active community participation by creating service opportunities, supporting volunteer service through recognition, and utilizing experience to serve the community's needs. In the calendar year 2023, approximately 108 RSVP volunteers reported 11,065 hours of service, supporting non-profits and community efforts in Harvey County. When computed at the value recommended by IndependentSector.org, "RSVP volunteer hours of 11,065 provided Harvey County a work value of \$317,661. Volunteers in the Harvey County community are slowly returning to service in impactful ways.

### **Transportation:**

The mission of Harvey County Interurban Transportation (HCIT) is to operate a safe and practical transportation program under the federal USC 5311 guidelines while serving the residents of Harvey County. Its vision is for all transportation providers to integrate their efforts to meet needs. Harvey County continues to exceed all other contiguous counties in the range of services offered to our residents. During KDOT FY 23, Harvey County Transportation provided 7,822 trips for residents of Harvey County. Harvey Interurban drove 85,884 miles, providing 4,602 trips outside Newton within the county, into neighboring Counties, and inside Newton for those requiring ramp services. Harvey County Interurban Transportation provided 3,220 trips within the City of Newton through a partnership with OT Cab for ambulatory residents. Harvey County Interurban Transportation re-introduced social and recreational trips during the FY 23 grant year, offering 17 trips, and nine (9) trips were successful, attracting 53 participants. During the 2023 Calendar year, Interurban provided 299 Non-Emergency Medical Trips (NEMT) through the Memorandum of Understanding (MOU) with Modivcare. Interurban provided 1,356 rides to 46 low-income individuals who do not have reliable transportation for medical and grocery rides, funded through the Find-A-Way program utilizing community grants.

### **Council on Aging:**

The Harvey County Dept. on Aging Advisory Council (the Advisory Council) meets eight (8) times yearly. Four of their yearly meetings are "Provider meetings," in which recipients of Mill Levy Funds report on activities and progress in meeting Provider Standards goals. Current providers using Mill Levy Funds are Burrton Senior Center, Halstead Senior Center, Hesston Area Senior Center, Newton Area Senior Center, Sedgwick Senior Center, Mid-Kansas Senior Center Association, and two At Large programs, Newton Meals on Wheels, and Newton Public Library's ELITE. The Advisory Council met eight (8) times in 2023 and held four (4) provider meetings. The Mill Levy-funded programs host the Advisory Council meetings, allowing members to see and learn about individual site programming.

## **Department's Alignment with County's Mission and Values**

---

**It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.**

**Integrity** - We are honest in our transactions and hold ourselves to high ethical standards providing only factual and verifiable information.

**Respect** - In our relationships with the citizens and staff we work with, we respect each individual's choice and self-determination.

**Understanding** - In our service to all citizens and staff, through active listening, we strive to meet each individual where they are at and provide available options to strengthen the individual's decision-making process

**Well-being** – We serve all citizens and staff with care and dignity.

**Courtesy** – We provide respectful, considerate service to all citizens.

**Humor** – While humor is not always acceptable while working with citizens and staff, the Department on Aging believes that appropriate, sensitive, and responsible humor can boost spirits, ease tension and depressurize an otherwise stressful day.

# Harvey County – 2025 Budget

## **Department**

---

Harvey County Transportation Fund

## **Mission**

---

The mission of Harvey County Transportation is to operate a safe and practical transportation program under the federal U.S.C. 5311 guidelines while serving the residents of Harvey County.

## **Department/Program Information**

---

Harvey County Transportation falls within the Harvey County Department on Aging. The vision is for all transportation providers to integrate to meet the transportation needs of Harvey County citizens. Harvey County Transportation joined with KDOT and its consultants in 2011 to provide service under a regionalized approach to transportation. Harvey County continues to exceed all other contiguous counties in its range of service. Service outcomes, community needs, and KDOT's regionalization of general public transportation determine future transportation services.

## **2023 Accomplishments**

---

During KDOT FY 23, Harvey County Transportation provided 7,822 trips for residents of Harvey County. Harvey Interurban drove 85,884 miles, providing 4,602 trips outside Newton within the county, into neighboring Counties, and inside Newton for those requiring ramp services. Harvey County Interurban Transportation provided 3,220 trips within the City of Newton through a partnership with OT Cab for ambulatory residents. Harvey County Interurban Transportation re-introduced social and recreational trips during the FY 23 grant year, offering 17 trips, and nine (9) trips were successful, attracting 53 participants. During the 2023 Calendar year, Interurban provided 299 Non-Emergency Medical Trips (NEMT) through the Memorandum of Understanding (MOU) with Modivcare. Interurban provided 1,356 rides to 46 low-income individuals who do not have reliable transportation for medical and grocery rides, funded through the Find-A-Way program utilizing community grants.

## **2024 Goals/Objectives/Initiatives/Performance Measures**

---

- Strengthen transportation for access to health care, nutrition, and other services through stakeholder collaboration
- Participate in the KDOT regionalization process conversations and support the new position of Mobility Manager
- Continue to explore transportation subsidy programs for low-income individuals
- Maintain six part-time drivers as dictated by ridership

- Monitor and evaluate Non-Emergency Medical Transportation (NEMT) programs for low-income individuals for possible expansion

## **2025 Goals/Objectives/Initiatives/Performance Measures**

---

- Strengthen transportation for access to health care, nutrition, and other services through stakeholder collaboration
- Participate in the KDOT regionalization process conversations and support the new position of Mobility Manager
- Maintain six part-time drivers as dictated by ridership
- Monitor and evaluate Non-Emergency Medical Transportation (NEMT) programs for low-income individuals for possible expansion

## **Department's Alignment with County's Mission and Values**

---

It is the mission of Harvey County to provide our citizens with beneficial, essential, public services in a professional, courteous and fiscally responsible manner.

**Integrity:** We are honest in our transactions and hold ourselves to high ethical standards providing only factual and verifiable information.

**Respect:** In our relationships with the citizens and staff we work with, we respect each individual's choice and self-determination.

**Understanding:** In our service to all citizens and staff, through active listening, we strive to meet each individual where they are at and provide available options to strengthen the individual's decision-making process

**Well-being** – We serve all citizens and staff with care and dignity.

**Courtesy** – We provide respectful, considerate service to all citizens.

**Humor** – While humor is not always acceptable while working with citizens and staff, the Department on Aging believes that appropriate, sensitive, and responsible humor can boost spirits, ease tension and depressurize an otherwise stressful day.

Diversion Fund

## **Mission**

---

The mission for the Diversion Program is to supervise a defendant in a criminal, juvenile, or traffic case, and ensure that person meets certain conditions and/or terms in order for their case to be successfully dismissed. This in turn will help reduce the burden placed on the judicial system in Harvey County and promote offender reformation.

## **Department/Program Information**

---

The purpose of the Diversion Program is to reduce the burden on the Harvey County Judicial System, and give defendants the opportunity to have charges brought against them dismissed while promoting offender reformation and reducing recidivism.

The Diversion Fund also serves as the collection fund for revenues collected by the Harvey County Attorney's diversion programs. Excess diversion funds are in turn used to support law enforcement and crime prevention programs in the community.

Road Impact Fee Fund

## **Department/Program Information**

---

The Road Impact Fee Fund was created in 2000 and serves as the collection fund for the Harvey County Road Impact Fee. By resolution, Harvey County assesses a road impact fee on new development in its unincorporated areas. All fees collected are utilized solely and exclusively for improvements to County maintained and/or township maintained roads which are found by the County to be impacted by the new development. Exemptions to this fee are public or quasi-public developments, residential developments with entrances or access roads onto improved paved roads, and any instance where the Harvey County Board of County Commissioners makes an exemption due to unique circumstances.

### **CIP Overview**

In 2012, Harvey County began a formal capital improvement program in an effort to begin strategically planning for capital purchases required to meet the mission and goals of the organization. The capital improvement program (CIP) is a 5-year plan used to identify capital projects and equipment purchases, provide a planning schedule for purchase, and identify all funding options available.

The CIP is comprehensive and organization-wide to ensure projected capital expenditures are being planned for in current or future budget years. A longer range of improvements beyond the five years is considered throughout the process, but are not typically documented within the CIP. It is important to understand that the CIP is a planning tool. It is a program in constant process, developed to change with the needs and desires of the citizens of Harvey County.

### **CIP Funding**

The CIP is funded on a yearly basis with annual operating revenues from property tax, sales tax, liquor tax, gasoline tax, as well as special assessments, enterprise fund revenue, and issuance of bonds. Bonds are repaid with debt service payments over a period of years not longer than the useful life of the improvement.

### **The CIP Process**

Projects that are placed in the CIP are typically irregular, one time expenditures. Most involve road improvements, bridge replacements, construction, remodeling, and new pieces of equipment the County doesn't currently own and plans to purchase. For example, remodeling a jury room in the Courthouse and purchasing new display equipment for the Emergency Operations Center are both CIP projects. The jury room is an example of a remodeling project requiring construction and the display equipment is an example of new pieces of equipment being acquired that are not replacing any existing equipment.

### **CIP Timeline**

The CIP process begins in February at a department head meeting. This meeting is known as the CIP kick-off, as it marks the beginning of the formal CIP process by laying out the guidelines for the upcoming fiscal year and reviewing the CIP submission documents. Following the CIP kick-off, department heads have until mid-March to complete and submit their CIP forms, which define capital expenditure priorities for the next five years.

Following the submittal of these CIP forms, Administration prepares a list of potential projects generated from the forms submitted by department heads. In May and June, budget meetings and hearings begin. Each department head or agency representative meets with Administration for a review of their budget and CIP requests prior to presenting to the Board of County Commissioners. During the Commissioners' budget hearings, department heads present their CIP requests for the upcoming five years.

In June, the County Commissioners and Administration conduct a budget workshop where all CIP items during that 5-year plan are analyzed. It is during this budget workshop that County Commissioners provide input on whether to add, eliminate, or simply move items to another year based on a number of factors, such as: citizen input, department and/or development need, funding, staff input and outside agency desires. A tentative 5-year plan is then integrated into the development of the annual operating budget.

An additional meeting is held to discuss the CIP and operating budget in mid-June. The maximum mill-levy is then set and the budget is published as required by the State of Kansas budget laws. Following the publication of the notice of hearing and revenue neutral rate, a public hearing for the operating budget and CIP is held along with a revenue neutral rate hearing, if revenues exceed the rate set by the County Clerk. The County Commission then makes any final changes and must adopt a final budget on or before August 25<sup>th</sup>. If the budget exceeds the tax revenue

## 2025-2029 CIP and Equipment Replacement

neutral rate, the County has until October 1<sup>st</sup> to adopt the budget and submit it to the County Clerk.

### Equipment Replacement Plan

Harvey County also has an Equipment Replacement Plan. The current criterion for an item to be placed in this plan is if it has a known lifespan of more than one year and is scheduled to be replaced routinely. These items are typically over \$500, but tend not to cost as much as items listed in the CIP. One example is the

replacement of a Sheriff Office patrol vehicle. These patrol vehicles typically have a lifespan of 3-years. Following that 3-year period, they are replaced with a new patrol vehicle. Planning to replace equipment on a regular cycle reduces operating budget fluctuations and allows Harvey County to anticipate equipment replacement needs into the future. This helps ensure we are stewarding taxpayer's funds wisely and providing complete transparency on equipment needs and planned equipment purchases.

**CIP Project:** Countywide Aerial Photography

**Requestor/Title/Department:** Anthony Swartzendruber / County Administrator/ Administration

**Project Description**

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

This project updates the County's aerial photography were last flown in 2021. Flights were flown to document changes in construction and enhance the pictometry imaging, as well as improvements for GIS. To keep information updated, we will need to be consistent at funding future flights.

3) **Project Need/Justification:**

This photography is the foundation for our base maps used for the county and other government offices and private companies. The photography is essential in allowing us to determine ownership of structures when the photography is used along with ownership parcel lines. This imagery benefits GIS, PZE, Appraiser, Administration, and all public safety agencies in the county. Future flights will be needed as we move forward with consistently updating the images.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Without flights every 3 years, departments will not have the information necessary to before their respective work.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**CIP Project:** FTR Voice to Text QuickDraft Software; Courtrooms 1, 2, and 3

**Requestor/Title/Department:** Micah Larson, Court Administrator, District Court

**Project Description**

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

Purchase, install and maintain FTR voice to text QuickDraft software in Courtrooms 1, 2, and 3.

3) **Project Need/Justification:**

See Attached

4) **Briefly, what are the consequences of delaying or not doing the project?**

Delaying or failing to take action in this matter will continue to create unnecessary delays in holding jury trials and other contested matters. Delays disrupt court dockets, speedy trial matters, weakens prosecution evidence, increases pressure to plea bargain, and increases strain on jail resources/staff.

5) **Briefly describe project impact on the operating budget:**

This project requires continued funding for annual maintenance and software support fees.

**CIP Project : FTR Voice to Text QuickDraft Software; Courtrooms 1, 2, and 3**

**3) Project Need/Justification:**

The Court is currently operating without an Official Court Reporter. The Court has two court reporter vacancies, one of which has remained vacant for approximately 600 days creating doubt we will be able to fill either position anytime soon. Thus, the court is continuously searching for coverage from other Districts and/or freelance reporters for jury trials and contested matters. If no assistance can be secured, trials have had to be canceled at the last minute given our inability to capture an accurate record of facts in real time and provide immediate readback of testimony throughout a trial. Furthermore, without a court reporter, the Court must contract with other District and freelance reporters to fulfill all requests for transcripts.

The Court is taking the following steps to address these concerns; First, the Court has reclassified a current court reporter position to a transcriptionist to eliminate the need to outsource transcripts and reduce expenses. However, a transcriptionist cannot replace a court reporter for jury trials nor contested matters so secondly, the Court advocated for and has been selected to participate in a pilot project for voice to text QuickDraft software from FTR and will receive two, one-year license from OJA. This pilot project allows the Court to utilize and evaluate the software and its functionality over the next year, at no expense to the Court. Key features include synced to time-stamped court audio; increased ability to search for specific sections in audio recording; and provides the ability to perform readback functions. This software would give the Court the ability to conduct trials and contested matters when a court reporter is not available. Anticipating the projects success, the Court will be prepared to purchase an additional license and maintain the other two licenses locally. In the event the project does not meet expected goals, we will not pursue further funding in this matter.

**CIP Project:** Flock License Plate Reader Cameras

**Requestor/Title/Department:** Chad Gay, Sheriff, Harvey County

**Project Description**

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

The scope of this project would be to purchase 4 "Flock License Plate Reader cameras" and place them in Harvey County. The cost associated with this project would be for the purchasing and access to the Flock LPR system which is nationwide.

3) **Project Need/Justification:**

The use of technology like Flock is becoming more common in law enforcement today. "LPR's" give real time information back to the user whether a car is stolen, expired registration, etc. Numerous agencies have utilized Flock to identify suspect information by accessing the database ultimately leading to arrests and being able to solve crimes. This system would aide our Deputies by having an extra set of eyes on the main roads throughout Harvey County.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Being this is a relative new system that we currently don't have, the consequences would most likely be missing out on real time data on potential suspects and/or crimes.

5) **Briefly describe project impact on the operating budget:**

This will have an impact to Sheriff's Office Capital Improvement Fund and overall operating budget since it would be a new three year contractual obligation.

**CIP Project:**                 **Replace Raised Computer Floor**

**Requestor/Title/Department:**     Don Gruver, Director of Communications

**Project Description**

**1) Location:**                 120 East 7th St

**2) Scope of Work to be Performed:**

Replace metal plate raised computer floor and carpet tiles and update wall coverings in Communications Center.

**3) Project Need/Justification:**

The current computer floor was installed in 1997 when the County acquired the building and created the Communications Center. Recently we discovered the metal panels in our primary walkway coming to/from the Center were beginning to fail by bending up on the corners that rest on the pedestals, and one employee actually fell through the floor (not injured). We issued an RFP for this project and the vendor who is replacing our consoles submitted a quote of \$43,325, which was approved by the Commission. We have since asked them to include a box of spare carpet tiles which will increase the price to \$43,673.11. In addition, we request to bring in a contractor to remove the existing wallpaper and paint the walls during this remodel, as the LEC except for this room was remodeled recently and we want to take this opportunity to update the appearance. Quote from Koehn Painting is \$4,980.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Continued failure of the metal panels and possible injury to staff.

**5) Briefly describe project impact on the operating budget:**

None. This is not a 911 allowable expense.

**CIP Project:** Video Wall

**Requestor/Title/Department:** Don Gruver/ Director/ 911 Communications

**Project Description**

1) **Location:** Communications Center

2) **Scope of Work to be Performed:**

Replace existing monitors on north wall of the dispatch center with an integrated professional video wall.

3) **Project Need/Justification:**

Currently we have 2 CCTV monitors, cable TV, and 2 computer monitors for radar and daily bulletin on a homemade mount, all small screens that are not clearly visible from the supervisor and backup consoles. At the same time we do the console upgrades, or immediately after, we would like to upgrade this to a professional setup with larger individual displays that are easily visible from all consoles. It would have multiple inputs for existing functions as well as adding active CAD calls, alarm monitoring, Newton PD GPS Fleet Tracking, and consider future needs. Our intent is that this would be a large media display covering most of the north wall to provide all positions at-a-glance status and situational awareness displays.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Continuing to use the existing five 19" monitors with limited capabilities and visibility from across the room where the supervisors are stationed.

5) **Briefly describe project impact on the operating budget:**

The only impact on the operating budget would be monitor replacement which would be computed once the system is bid out and installed and we know what replacement costs will be in future years (assuming monitors last an average of 3 years).

**CIP Project:** Willow Bend Boat Ramp

**Requestor/Title/Department:** Kass Miller/Parks Director/Parks & Recreation

**Project Description**

1) **Location:** East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Replace/repair the existing boat ramp in the Willow Bend area of Harvey County East Park.

3) **Project Need/Justification:**

The current boat ramp in the Willow Bend area is severely deteriorated. The earth under the end of the concrete ramp has washed out, creating a gap between the concrete and the bottom of the lake. This has caused boat trailers to drop off the end of the ramp and become stuck, potentially damaging boat trailers and tow vehicles. This is especially prevalent during low lake levels. Sections of the concrete have begun to break off as well.

4) **Briefly, what are the consequences of delaying or not doing the project?**

The boat ramp will have to be closed to prevent property damage.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**CIP Project:**                **Disc Golf Course Update**

**Requestor/Title/Department:**        Kass Miller/Parks Director/Parks & Recreation

**Project Description**

**1) Location:**                Camp Hawk, 1801 SW 36th St. Newton, KS.

**2) Scope of Work to be Performed:**

Completely update/revamp the Camp Hawk disc golf with new/additional baskets, signage, tee boxes, increased parking and other minor amenities.

**3) Project Need/Justification:**

The Camp Hawk disc golf course was created 25+ years ago by community volunteers. Since that time very little investment has been made by the county in improving/updating the course. We last made an investment in 2018 when we purchased 18 used baskets for \$2,340. In the past 25+ years the concrete tee boxes have begun to break apart, creating tripping hazards, the signage has deteriorated and/or been damaged beyond repair and the course design has become outdated as the landscape has changed. The new course design would include an expansion to allow the course to be played as a novice and as a pro. It would include new/updated signage to make the course route more user friendly and tee boxes that are not hazardous to play from. These improvements would allow the Camp Hawk disc golf course to be qualified to host professional tournaments which would create a bigger draw to Harvey County.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Current equipment will continue to deteriorate, eventually making the course unplayable. We must invest in our amenities to keep them up to date and usable.

**5) Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**Project Description**

1) **Location:**                    East Park, 314 N. East Lake Road, Newton, KS.

2) **Scope of Work to be Performed:**  
     Replace playground equipment at Willow Bend.

3) **Project Need/Justification:**  
 The current playground equipment is very old. The equipment is metal and get very hot in the Kansas sun. It needs to be replaced with new playground equipment. The new equipment will accommodate all play styles and will also include a safe play surface and will be accessible for everyone.

4) **Briefly, what are the consequences of delaying or not doing the project?**  
 More risk of injury. Current equipment is not accessible to all park visitors and does not accommodate all play styles. Further delay will see potentially higher replacement costs.

5) **Briefly describe project impact on the operating budget:**  
 There is no significant impact on the operating budget anticipated.

**CIP Project:** Volunteer Hall HVAC

**Requestor/Title/Department:** Kass Miller/Parks Director/Parks & Recreation

**Project Description**

1) **Location:** East Park Volunteer Hall, 840 Campers Row, Newton KS.

2) **Scope of Work to be Performed:**

Replace the current air conditioning and furnace system with updated and more efficient units or mini-splits.

3) **Project Need/Justification:**

The HVAC system in Volunteer Hall is thought to be 25+ years old. It is becoming more and more difficult to find replacement parts and the system has issues often. It struggles to keep the building cool in the summer and warm in the winter. It has broken down during rentals many times, requiring us to pay for after hours service fees and disappointing and frustrating the patrons that had the facility rented. They system has become inefficient and undependable.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Current equipment will continue to deteriorate, eventually becoming unrepairable due to its age.

5) **Briefly describe project impact on the operating budget:**

It is anticipated that an updated and more efficient system would help alleviate some utility costs.

**CIP Project:**                **Water Expansion Study**

**Requestor/Title/Department:**     Kass Miller/Parks Director/Parks & Recreation

**Project Description**

**1) Location:**                    East Park, 314 N. East Lake Rd., Newton & West Park, 2733 West Park Rd., Burrton.

**2) Scope of Work to be Performed:**

Hire a firm to determine the feasibility, cost, and to plan the expansion of our current water supply to include water hookups at each of the electrified camping pads at East Park and West Park camp grounds.

**3) Project Need/Justification:**

Our current water supply at each park is very limited. We have a few water hydrants located randomly throughout each park. Campers are limited 15 minutes to fill their holding tanks and are not allowed to remain hooked up to the water supply. We receive many phone calls inquiring about whether or not we have individual water supply and we often hear from campers about their desire to have this amenity. It is becoming an expectation in the camping hobby.

**4) Briefly, what are the consequences of delaying or not doing the project?**

We will begin to lose camping business as campgrounds around us continue to offer more and more amenities. Studies show that public greenspace and the amenities we provide are a large consideration for potential new residents and helps keep current residents in the community.

**5) Briefly describe project impact on the operating budget:**

The study would not produce any significant change to the operating budget. Changes could potentially occur (higher water usage) when/if the plan is implemented.

**CIP Project:**                    **Tire Changer**

**Requestor/Title/Department:**        Kass Miller/ Parks Director/ Parks & Recreation

**Project Description**

1) **Location:**                    East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Purchase a tire changer and balancer for the Parks Department shop.

3) **Project Need/Justification:**

Park vehicles and equipment often get flats. To properly repair the flats, vehicles or tires and rims are taken into town to be repaired. Having the machinery would help save time from employees having to go back and forth to drop the flat off and pick it up and time from vehicle/equipment being out of operation while flat is being repaired. It would save money by preventing us from paying an outside shop to make such repairs. A balancer would allow us to better maintain park vehicles and equipment. Helping to prevent premature tire wear.

4) **Briefly, what are the consequences of delaying or not doing the project?**

No long term consequences other than continuing with our current limitations.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**CIP Project:**                    **Replace Playground Equipment**

**Requestor/Title/Department:**        Kass Miller/ Parks Director/ Parks & Recreation

**Project Description**

1) **Location:**                    Camp Hawk, 1801 SW 36th St., Newton KS.

2) **Scope of Work to be Performed:**

We would like to retire the current, dated, playground equipment at Camp Hawk and a significantly improved playground area.

3) **Project Need/Justification:**

In previous years we had a capital improvement budget to replace some of the playgrounds throughout the parks. Due to a priority shift those budgets were redirected to the construction of the new Bait Shop at Harvey County East Park. Because of this, the playgrounds have not been replaced. All of the current playground equipment and play surface is very old. The equipment is metal and gets very hot in the Kansas sun and the play surface does not provide much fall protection. It all needs to be replaced with new, safer and inclusive playground equipment and play surface. The new equipment will accommodate all play styles and will also include a safe play surface. It will be accessible by everyone.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Increased risk of injury. Not accessible to all visitors in the park.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**CIP Project:** Camping and Shelter Grills - East Park

**Requestor/Title/Department:** Kass Miller/Parks Director/Parks & Recreation

**Project Description**

1) **Location:** East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Add a small charcoal grill to each camping pad and a larger, group grill, to each open and enclosed shelter.

3) **Project Need/Justification:**

An amenity that the park is missing is an outdoor cooking surface at each of the camping pads and at all of the enclosed shelters. Some of the open shelters have group grills. These grills have rusted through and been patched many times. They are no longer repairable and will have to be completely retired in the near future. There is also a small picnic area in Campers Row that has 4 individual grills that are no longer useable.

4) **Briefly, what are the consequences of delaying or not doing the project?**

All remaining grills will have to be permanently removed, entirely eliminating an amenity within the parks.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**CIP Project:** Camping and Shelter Grills - West Park

**Requestor/Title/Department:** Kass Miller/Parks Director/Parks & Recreation

**Project Description**

**1) Location:** West Park, 2733 West Park Rd., Burrton, KS.

**2) Scope of Work to be Performed:**

Add a small charcoal grill to each camping pad and a larger, group grill, to each open and enclosed shelter.

**3) Project Need/Justification:**

An amenity that the park is missing is an outdoor cooking surface at each of the camping pads and at all of the enclosed shelters. Two of the three open shelters have good grills. The third open shelter will need a grill placed at the location.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Grills at the park is a missing amenity that is often requested. A missing amenity such as an outdoor cooking surface could be the deciding factor of whether or not to utilize the camp grounds or the shelters.

**5) Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**Requestor/Title/Department:** Kass Miller/ Parks Director/ Parks & Recreation

**Project Description**

1) **Location:** West Park, 2731 West Park Road, Burrton, KS

2) **Scope of Work to be Performed:**

Build a 16 ft X 28 ft covered patio/pavilion and pergola structure on the concrete slab in the south loop of West Park.

3) **Project Need/Justification:**

This area of the park is currently under utilized. This would help us further develop this space. It would encourage group gatherings and more camping in the area. The facility would also be a good space to gather for educational programs.

4) **Briefly, what are the consequences of delaying or not doing the project?**

**CIP Project:** Picnic Table Shade Structures

**Requestor/Title/Department:** Kass Miller/ Parks Director/ Parks & Recreation

**Project Description**

1) **Location:** East Park, 314 N. East Lake Rd., Newton, KS.

2) **Scope of Work to be Performed:**

Build approximately 20 permanent picnic table shade structures to provide sun protection at picnic tables for individual camping pads.

3) **Project Need/Justification:**

There are many picnic tables at individual camping pads that do not have natural shade. This would provide more immediate sun protection for campers, providing a more attractive and comfortable camping area. Waiting for natural shade protection from planting trees would take decades to accomplish.

4) **Briefly, what are the consequences of delaying or not doing the project?**

No long-term consequences other than continuing with our current limitations.

2) **Scope of Work to be Performed:**

Install a heated and enclosed fishing dock on Harvey County East Lake.

3) **Project Need/Justification:**

Winter is a difficult time for fisherman but can be the most productive. A heated fishing dock would allow fisherman to fish year round, out of the elements. It would also provide an excellent facility to hold fishing clinics.

4) **Briefly, what are the consequences of delaying or not doing the project?**

No long-term consequences other than continuing with our current limitations.

**Requestor/Title/Department:**        Jim Meier / Director / Road & Bridge

**Project Description**

**1) Location:**                    S. Ridge Rd., W. Dutch Ave., NW 12th

**2) Scope of Work to be Performed:**

Hot Mix Asphalt overlay (2") on portions of the above roads, totalling about 17.05 miles.

**3) Project Need/Justification:**

These roads are presently the highest in priority, and the most in need of additional structure. This work will substantially improve the long-term durability of these roads, as an overlay of this type will provide about ten years of life. Our current Pavement Management Plan for our 164.71 miles of paved roads requires we address 23 miles per year. That covers every mile every 7 years.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Continued deterioration of the road surface, as well as potentially the base, ultimately resulting in more costly repairs in the future. It is important to try to catch up on restoring our pavement to a more sustainable condition, allowing for more economical surface treatments in the future.

**5) Briefly describe project impact on the operating budget:**

**CIP Project:** RCB Replacement Projects

**Requestor/Title/Department:** Jim Meier / Director / Road & Bridge

**Project Description**

**1) Location:** 15-J.9 located on N. Emma Creek Rd., just south of NW 12th  
 2-A.2 located on S. Wheat State, just north of SW 125th

**2) Scope of Work to be Performed:**

15-J.9: Remove and replace 2 dilapidated culvert pipes with a Reinforced Concrete Box. Upstream 1 mile is a 2017 RCB with an opening of 180 square feet. Water from that structure comes down and washes out the road here frequently causing a safety risk for the travelling public. The pipes are badly damaged and deteriorated and nearly non-functioning. This construction was first planned for 2020, but postponed due to lack of funds. It was let in 2023 with 3 others, and was again postponed due to lack of funds.

2-A.2: Remove and replace dilapidated concrete culvert with a precast sectional RCB. This replacement project was originally designed in 2017, but eliminated from the list of 4 due to lack of funds.

**3) Project Need/Justification:**

This construction would ensure these roadways would remain open to traffic and agricultural equipment. Authorization has been granted to have these replacements designed in recent years, and it makes fiscal sense to see them through to construction.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Continued deterioration; failure; risk to public welfare; road closure. Given the great number of culverts we own, a more aggressive approach in structure replacement is needed to provide safe and open roadways. Putting off these replacements again will ensure higher prices and future road closures due to the insurmountable need.

**5) Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**Requestor/Title/Department:**     Jim Meier / Director / Road & Bridge

**Project Description**

**1) Location:**                 N. Harvest Hill, 0.8 mile south of E. 1st

**2) Scope of Work to be Performed:**

Replacement of single span, 23' long concrete bridge built in 1920.

**3) Project Need/Justification:**

It is currently #1 on our Bridge Priority list and is load rated 5 tons. Bridges rated less than 3 tons must be closed. According to our 2022 Biennial Bridge Inspection, it has a structural rating of 2 out of 10, and a sufficiency rating of 26.50 out of 100. This bridge replacement will be contracted out, with inspection done in-house.

It was submitted as a candidate for the Kansas Local Bridge Improvement (KLBI) Program for FFY 2020 but was not selected.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Continued deterioration; failure; reduced load rating; risk to public welfare; road closure.

**5) Briefly describe project impact on the operating budget:**

There will be an impact to the operating budget. This has been a candidate for funding programs, and likely will be again. If selected, as much as 90% could be covered by the State.

**Requestor/Title/Department:**     Jim Meier / Director / Road & Bridge

**Project Description**

**1) Location:**                    Bridge P-16.7 (NW 72nd, 0.7 mile east of Hesston Rd.), Bridge 7-N.8 (N. River Park, 0.2 mile south of NW 60th)

**2) Scope of Work to be Performed:**

Contracted project. Identify and remove areas of delaminated concrete deck; sandblast surface and re-steel, replace steel where necessary, and replace concrete.

**3) Project Need/Justification:**

Delaminated deck concrete allows water and contaminants such as salt to rust and corrode reinforcing steel, which can compromise structure strength shortening life of bridge. Freezing and thawing along with traffic wear causes continued loss of concrete surface. Steel is the strength of a bridge, and concrete protects it.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Continued spalling of concrete, deterioration of reinforcement, shortened life of bridge.

**5) Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**1) Location:**                    NE 12th, 0.25 mile west of Webb Rd.

**2) Scope of Work to be Performed:**

Replacement of structurally deficient single span, 33' long concrete bridge built in 1920.

**3) Project Need/Justification:**

According to our 2022 Biennial Bridge Inspection, this bridge has a structural evaluation rating of 2 out of 10. It is structurally deficient, functionally obsolete, and has sufficiency rating of only 23.5 out of 100.

This project was submitted to be considered for the Kansas Local Bridge Improvement (KLBI) Program to be built in 2023, but was not selected by the State.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Continued deterioration; failure; reduced load rating; risk to public welfare; road closure.

**5) Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**CIP Project:** New Road & Bridge/Noxious Weed Complex

**Requestor/Title/Department:** Jim Meier / Director / Road & Bridge

**Project Description**

**1) Location:** Rural Harvey County

**2) Scope of Work to be Performed:**

Construction of a new Road & Bridge facility, including maintenance shop, offices, equipment storage units, stockpile sites, weld & sign shops, and a new Noxious Weed Dept. facility. The location will be on a different site, as the present one is too small.

**3) Project Need/Justification:**

Equipment is too long to fit inside maintenance bays, allowing only inches on either end. Present building was built in 1935, and shows signs of deteriorating masonry walls; energy inefficient; settling of building has jammed doors and broken window; poor drainage from around building, and water comes in offices and maintenance shop when it rains causing interior damage; water has caused exterior damage to building; unsafe method of installing salt spreaders; insufficient shelter for equipment; insufficient room for equipment maintenance; frequent septic system issues; freezing water lines upstairs; insufficient lot size for expansion or new construction.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Continued deterioration of 87 year old building; it is a safety hazard when lack of adequate bay size requires employees to climb over and under equipment due to the inability to walk around it; continued high maintenance and high utility bills; aged electrical system is potential hazard; poor facility to retain or attract new employees; poor public image.

**5) Briefly describe project impact on the operating budget:**

There will be an impact to the Road & Bridge operational budget for 2025.

**Requestor/Title/Department:**     Jim Meier / Director / Road & Bridge

**Project Description**

**1) Location:**                NE 60th, 0.6 mile east of N. Spencer

**2) Scope of Work to be Performed:**

Replacement of 3 span, 93' long concrete bridge built in 1952. This bridge replacement will be contracted out, with inspection done in-house.

**3) Project Need/Justification:**

This bridge presently ranks #4 on our replacement priority list. NE 60th is a Major Collector connecting Hwy 50 to K-15, and as such carries many heavy trucks. It is one of two along that route which have prevented from being utilized in the past by KDOT as a detour for Hwy 50 construction.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Continued deterioration; failure; reduced load rating; risk to public welfare; road closure.

**5) Briefly describe project impact on the operating budget:**

**Requestor/Title/Department:**     Jim Meier / Director / Road & Bridge

**Project Description**

**1) Location:**                 Bridge Q-13.5 (W. Dutch, 0.5 mile east of N. Essex Heights); Bridge 3-O.7  
   (N. Burmac, 0.3 mile south of NW 72nd)

**2) Scope of Work to be Performed:**

Contracted project; snad-blast corroded rebar, remove delaminated concrete, apply sprayed-on concrete grout. This a cementicious material similar to that used for swimming pools.

**3) Project Need/Justification:**

These bridges have experienced concrete section loss due to long term exposure to the corrosiveness of salt, as well as freezing and thawing effects. Rebar on the underneath side of these decks have been exposed causing rusting, and in some places sag due to the section loss of concrete. The strength of bridges is in the rebar. These bars need to be "pinned" in place to preserve their intended purpose (this has been done on bridge Q-13.5). Concrete only holds it in place and protects the steel from corrosion. This work was recommended by our retained engineering firm during their Biennial Bridge Inspection.

**4) Briefly, what are the consequences of delaying or not doing the project?**

Continued corrosion of re-steel. Neglect will result in continued loss of concrete ultimately causing re-steel to fall from the structure. County crews are working now to pin the rebar in place, but do not have the ability to apply shot-crete.

**5) Briefly describe project impact on the operating budget:**

There is no significant impact on the operating budget anticipated.

**Requestor/Title/Department:** Jim Meier / Director / Road & Bridge

**Project Description**

1) **Location:** S. East Lake Rd., 0.7 mile north of SE 125th

2) **Scope of Work to be Performed:**

Replacement of structurally deficient 3 span, 143' long concrete bridge built in 1952.

3) **Project Need/Justification:**

It is currently #2 on our Bridge Priority list, and the Inventory Load Rating is 5 tons. Bridges less than 3 must be closed. S. East Lake Rd. is a paved route from the Sedgwick County line to K-196, and is Greenwich in Sedgwick County. 2022 ADT according to KDOT was 720 vehicles per day.

4) **Briefly, what are the consequences of delaying or not doing the project?**

3) **Project Need/Justification:**

According to our 2022 Biennial Bridge Inspection, this bridge has a structural evaluation rating of 3 out of 10. It is on South Burmac, a heavily travelled Harvey County paved Rural Secondary route. KDOT's 2022 traffic count of 1165 vehicles per day makes this a high priority.

4) **Briefly, what are the consequences of delaying or not doing the project?**

**CIP Project:** Dispatch Console Furniture and Additional 911 Phone

**Requestor/Title/Department:** Don Gruver, Director of Communications

**Project Description**

1) **Location:** 120 East 7th Street

2) **Scope of Work to be Performed:**

Update or replace the existing sit/stand consoles, add a 6th position (moving it from the back room out to the main dispatch floor), including a full-function 9-1-1 phone, and reconfigure to fit within the space provided.

3) **Project Need/Justification:**

The current consoles were installed in 2010 and are reaching end of life. An RFP was issued and our current vendor Xybix provided a quote of \$145,367.55 which was approved by the Commission. As part of this project, we will move the backup console from the back room to the main floor for overflow, major incidents and training. Currently that position has a radio screen, but uses a "soft-phone" for 9-1-1 that used to be in the CSR's office and does not have full function as the primary phones do, such as mapping and RapidDeploy information, which aids in locating callers and other interfaces (alarms, RR crossings and other future enhancements). This project also includes replacing the floor, carpet tiles and wall coverings, which are covered in a separate request. Removing the current wallpaper and painting the walls will require a 4-5 day delay in the work Xybix does, with an added travel cost of \$1,800. This expense has not yet been approved by BOCC.

4) **Briefly, what are the consequences of delaying or not doing the project?**

Continued failures and expensive repairs. Each repair, whether elevating legs or control modules, is a few hundred dollars per part. If multiple consoles start failing, we could be looking at \$2,000 or more per year in upkeep. Also, with our call load and future enhancements being touted for the 9-1-1 system (video, pictures, telematics, cameras), having a 6th console for added staffing and tasks will be a necessity.

5) **Briefly describe project impact on the operating budget:**

Not having to spend money on repairs, but an additional \$18,000 per year to the State 911 board for the added full 6th 911 position.

**2) Scope of Work to be Performed:**

Replace existing porcelain toilets with stainless steel toilets/sinks.

**3) Project Need/Justification:**

Existing porcelain toilets and sinks are original with the facility. Toilet/sinks either break or chip and have become a safety issue for staff and inmates.

**4) Briefly, what are the consequences of delaying or not doing the project?**

If a toilet or sink breaks, that cell is no longer in service which has an impact on the amount of inmates the detention center can house.

# Harvey County Capital Improvement Program

**CIP Project:**                **Door Lock Replacement**

**Requestor/Title/Department:**     Chad Gay/ Harvey County Sheriff/ Sheriff's Office

**Project Description**

1) **Location:**                    800 N. Main St.

2) **Scope of Work to be Performed:**

Replace door locks and/or door positioning sensors for detention center doors.

3) **Project Need/Justification:**

The door locks and/or door positioning sensors in the detention center have been in service since the jail was constructed. Both the locks/sensors are electronic in nature and the cost to replace is significant. We currently have doors that show open when in fact they are closed. This creates alarms on the control panels and employees have to physically verify that the doors are secure.

4) **Briefly, what are the consequences of delaying or not doing the project?**

If we don't begin the process of fixing/replacing the door locks/sensors, this could lead to a failure of not being able to secure inmates. This puts the inmates/deputies at risk. Once the replacements have been made, routine maintenance on the locks/sensors is a must to maintain effective jail operations.

5) **Briefly describe project impact on the operating budget:**

There is no significant impact to the budget anticipated.

**CIP Project:** Replacement of Detention Center 72" Range

**Requestor/Title/Department:** Chad Gay, Sheriff, Harvey County

**Project Description**

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

The scope of this project is to replace the 72" Gas Range in the Detention Center Kitchen. The Current range is is operational but is beginning to meet its end of life cycle.

3) **Project Need/Justification:**

Part of maintaining a Detention Center is food service. We currently serve three meals a day to an average daily population of 100 inmates. Having adequate equipment helps the continuity of operations for our food service provider. All of our kitchen appliances are used three times a day everyday of the year. The normal wear and tear of appliances is worse in a commercial style kitchen especially in a Detention Center. This appliance needs to be replaced.

4) **Briefly, what are the consequences of delaying or not doing the project?**

By delaying this project it puts our Detention Center at risk of not being able to provide properly cooked food to our inmates. Not providing adequate food to our inmates could lead to a liability issue for our Office.

5) **Briefly describe project impact on the operating budget:**

This will have an impact to Sheriff's Office Capital Improvement Fund.

**CIP Project:** Remodel/Expansion of Detention Center

**Requestor/Title/Department:** Chad Gay, Sheriff, Harvey County

**Project Description**

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

The scope of this project is to remodel and possibly expand the current Harvey County Detention Center.

3) **Project Need/Justification:**

In 2023/2024, Goldberg Group Architects (GGA) completed a Facility and Space Needs Assessment for the Harvey County Detention Center. They concluded that the 1997 built Detention Center is in need, at a minimum of a remodel to address serious operational and security concerns. A number of the items included in the remodel are necessary to continue the basic operations of the Detention Center. GGA also proposed options for remodeling the facility, and adding onto the Detention Center to prolong the life of the Detention Center and all for its modernization for current population management practices. Cost Estimates are as follows:

- Remodel: \$9,717,330
- Remodel/Expansion Option: \$28,733,329
- Remodel/Expansion Option: \$17,848,475

4) **Briefly, what are the consequences of delaying or not doing the project?**

Delaying the project will increase costs for a future remodel and/or expansion. The County will need to continue to make costly maintenance repairs, which are only short-term solutions.

5) **Briefly describe project impact on the operating budget:**

If/when a project is completed, it will require reducing the federal inmate population, so it is anticipated that the County will experience decreased revenues during the remodel/expansion.

**CIP Project:** Pine Street Building Remodel

**Requestor/Title/Department:** Anthony Swartzendruber/County Administrator/Administration

**Project Description**

1) **Location:** 215 S. Pine Street

2) **Scope of Work to be Performed:**

With the purchase of the Pine Street Building, this project is to remodel the facility to facilitate relocating departments from the County Courthouse to this facility. The County Commission has approved schematic designs for this project, and has approve moving the Appraisers Office, Planning, Zoning, and Environmental Department, the Department on Aging, and the County Extension Office to Pine Street.

3) **Project Need/Justification:**

When the County purchased the building, it was known that a number of improvements would need to be made to make the facility suitable for departments moving from the Courthouse. The third floor and first floor both currently have space specifically for medical purposes, which will need to be converted to office space.

4) **Briefly, what are the consequences of delaying or not doing the project?**

If the project is not completed, space issues will continue to be a problem in the Courthouse.

5) **Briefly describe project impact on the operating budget:**

Some of the improvements listed could lead to a decrease in maintenance costs, and decreases in utility costs.

**CIP Project:** Courthouse Remodel

**Requestor/Title/Department:** Anthony Swartzendruber/County Administrator/Administration

**Project Description**

1) **Location:** 800 N. Main St.

2) **Scope of Work to be Performed:**

With the purchase of the Pine Street Building, this project is an estimate of the cost to remodel the Courthouse once departments from the County Courthouse can be relocated to the Pine Street building. The project will likely include remodel for each floor, a possible addition for a secured entrance, and updates to any plumbing/electrical that are still original to the building.

3) **Project Need/Justification:**

When the County purchased the Pine Street building, it was known that a number of improvements would need to be made to the Courthouse once departments were relocated to the Pine Street Building. With the expansion of the number of judges in the District Court, a fourth Courtroom will need to be added within the facility.

4) **Briefly, what are the consequences of delaying or not doing the project?**

## Glossary

**Ad Valorem Tax.** A tax levied on the assessed value of both real and personal property in proportion to the value of the property (commonly referred to as “property tax”).

**Adopted Budget.** A financial plan presented, reviewed and approved by the governing body for the upcoming or current fiscal year.

**Liquor Tax.** A tax on gross receipts from the sale of liquor at retail.

**Appraised Value.** Market dollar value given to real estate, utilities, and personal property; established through notification, hearing and appeals and certification process.

**Appropriation.** Expenditure authority approved by the governing body with specific limitations as to the amount.

**Assessed Value.** Appraised value of property adjusted downward by a classification factor, to determine the basis for distributing the tax burden to property owners.

**Audit.** A review of the county’s accounts by an independent accounting firm to substantiate year-end fund balances, reserves, and cash on hand.

**Bond.** A written promise to pay a specified sum of money, called the face value or principal amount, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate.

**Budget.** A financial plan of operation which includes an estimate of proposed revenues and expenditures for a fiscal year. A formal budget constitutes a legal spending limit for local governments in Kansas and provides a level of control for most government activities.

**Budget Adoption.** A formal process by which the budget is approved by the governing body.

**Capital Expenditures.** A capital expenditure is any significant physical acquisition, construction, replacement, or improvement to a County department or service. Capital projects cost over \$10,000 and have a useful lives of at least 5 years and are normally cash funded through the annual operating budget.

**Debt Service.** Principal and interest requirements on outstanding debt according to a predetermined payment schedule.

**Delinquent Property Tax.** Ad valorem property taxes collected from previous tax years.

**Department.** An organizational unit which is functionally unique in delivery of services. A department may contain one or more programs.
